International Day

Theatre Ashbury- And Then They Came For Me

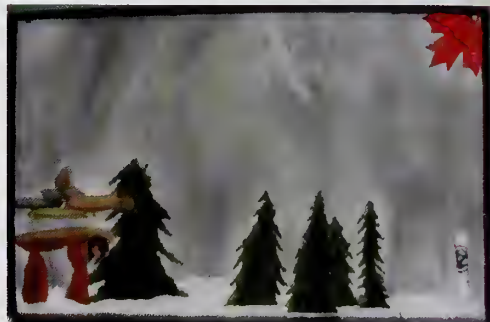

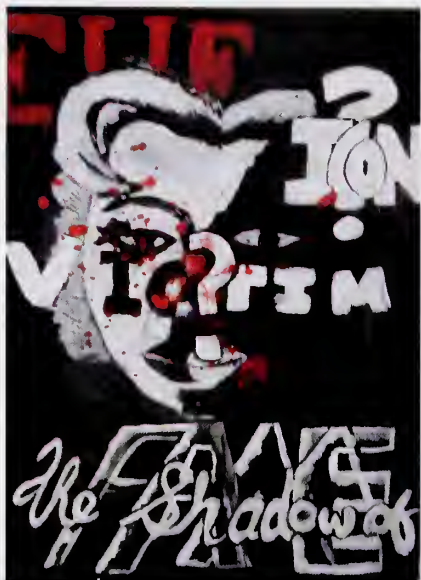

This year in Theatre Ashbury, we produced *And Then They Came for Me: Remembering the World of Anne Frank* by James Still, which was an experience unlike any other. From the view-points of Ed Silverberg and Eva Schloss, we saw the life of Anne Frank and what she meant to them before and after the Holocaust. The play moved from a piece of text to a living, breathing show, changing us from impartial students to self-aware educators. Based on the true stories of these two Holocaust survivors, the cast was given the opportunity to speak with actual survivors, and hear many encounters that all rang the same message: never again. The play not only brought us together as a cast, but it also brought a community together with special guest speakers at the end of each night, ranging from ambassadors to survivors. In the end, we thank everybody involved, and especially Mr. Simpson, who always inspires us to do something significant.

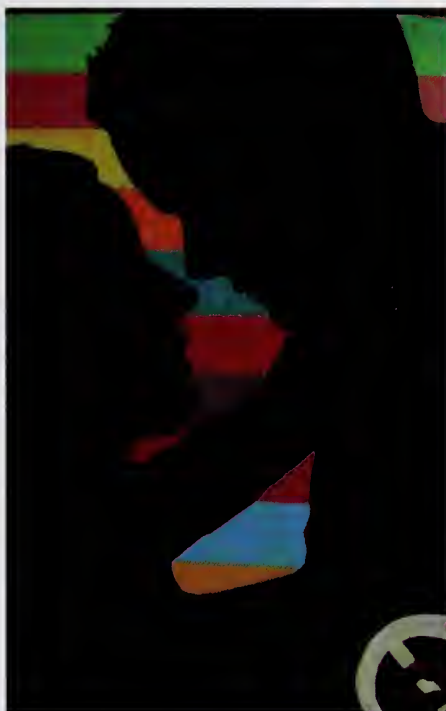

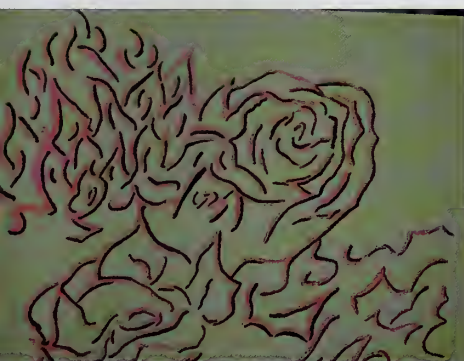

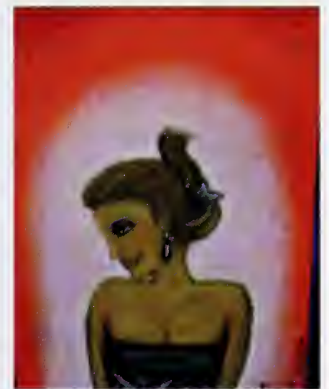

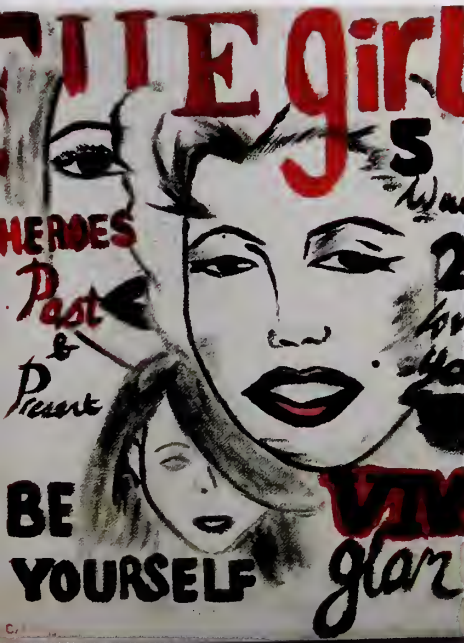

The Sun, the Moon and Tidal Effects

At the beginning of the year, the skeptical grade 11/12 Dramatic Arts class was given an assignment to be due by the end of April. This assignment consisted of writing scripts, rehearsing, and performing in public. With pen and paper in hand, we started to write and pitch ideas. From nowhere except the imaginations of over 30 students, we came up with *The Sun the Moon and Tidal Effects*; a series of monologues and sketches. This was the first time in Theatre Ashbury history that we wrote an entire script and performed our end product in front of a paying audience. Ranging from Theatre of the Absurd to Film, it was an undeniably long road, but we came through having only started off with an idea and a director to guide us. None of us had ever experienced a process quite like that, and we couldn't have asked for a more challenging endeavour. For the grade 12's, it was a great show to end our career at Ashbury. As for the grade 11's, it was only a precursor of what to expect for next year.

Music

Musical- Tin Pan Ali

This year's musical, Tin Pan Ali, meshed together a mystic Arabian tale with the jazzy ragtime of a 1930's Chicago. The story followed Ali Baba's family through their treasure-filled adventures, victory over a band of inept gangsters, and heart-warming family reunion.

A group of over 60 enthusiastic students worked tirelessly to build sets, choreograph dance steps, find costumes and learn lines. However, no amount of work would have brought the show together without the outstanding leadership and dedication of Mr. Coles and Mr. Merritt, the production's directors. As cast and crew of Tin Pan Ali 2006, we would like to extend to them both our most heartfelt thanks and gratitude for their generosity, patience, and sense of humour. Thank you to all who contributed in ways big and small to this year's success, and until next year's show...."keep that old rhythm strong"!

FACULTY

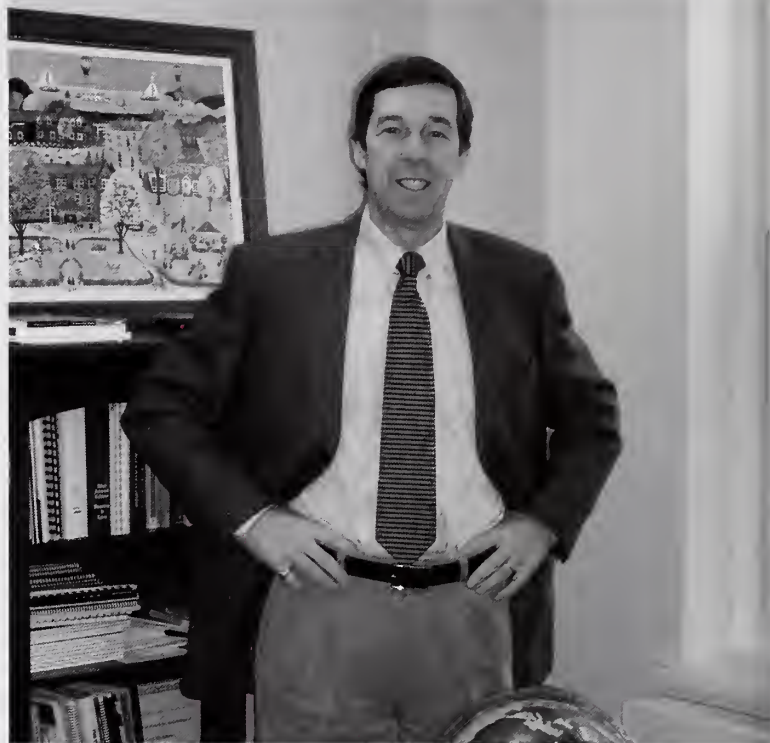

STAFF

HEADMASTER

The Ashburian, first published in 1912, records the events, achievements and personalities that comprise our Ashbury experience. Each photo reminds us of the people and events which today and forever will mark part of your elementary or high school life. I often pull out my previous Ashburian and smile as I reflect on my experiences with the students and staff. Ashbury is a busy school with amazingly talented, diverse and interesting people. Together we fill these pages and we recognize and thank our yearbook team and its advisors Mrs. Rust, Mrs. Ford, Mrs. Lahey, Mr. Polk and Mrs. Booth who devoted many hours of hard work to produce this impressive 2006 Ashburian.

Ashbury offers something for everyone and this year the performing arts, house competitions, community service projects, athletic participation and vitality of our boarding community and internationalism stand out. Tom Stieber, School Captain, Mathieu Crupi, Student Council President and their prefect and council teams, together with Junior and Senior School House Captains set a high standard for student leadership and activity. The interhouse participation and spirit are at an all time high with the four houses currently with 3 points behind Woollcombe House. Town Halls continue to demonstrate effective communication and accountability to promote school improvements. The Ashbury theatre, Great Hall, Chapel and gymnasiums were especially well used with more music, theatre, dances, athletic competitions and service events. International Day with Allan Rock, student performances and Stephen Lewis, NOIR, Kenya Believe It and the National Capital Run all celebrated the caring humanity and decency that Stephen Lewis challenged us to embrace. As we are starting a new school year let us all remember the "random acts of kindness", the honesty and the respect for the diversity that make Ashbury a happy, healthy and caring school.

Finally, we extend our heartfelt thanks to three long-serving, dedicated and talented teachers who retired in 2006. David Polk (25 years), Mary Ann Varley (25 years) and Dawn Ford (17 years) have taught English, visual art and geography respectively. They are missed on campus but like your classmates they will never be forgotten in the hearts and minds of their students and colleagues.

ASSISTANT HEADMASTERS

Academics

Dear Students:

If you achieve academic excellence at Ashbury College, you will have earned very good grades. Please remember that the purpose of an Ashbury education goes beyond the goal of getting good grades. Its purpose is to "...inspire students to become intellectually vibrant, compassionate and responsible citizens." These qualities are important indeed for they will allow you to become the types of leaders whom others will follow, not unquestioningly but with confidence and respect. Harvard University recently underwent a three-year review of its curriculum. Harry R. Lewis, a Harvard professor, wrote an article where he expressed his opinion on the purpose of a Harvard education. "The teaching of challenging texts, literary or philosophical, can raise in today's students the same important and troubling questions they have raised in other readers for centuries – if they are not taught to elicit "correct" answers that will earn high grades."¹ When you graduate from Ashbury College, the problems you will have discussed, the lessons you will have learned, the guest speakers you will have heard and the out-of-classroom experiences you will have lived will have reinforced the academic skills and values that will allow you to confidently take on life's challenges. Congratulations on your successful year and keep trying your best!

Sincerely,

Malcolm R. Mousseau

Daily Life

Independent schools by nature build on the stories and legacies that have evolved over many years. Alumni and retired staff are key links in the guardianship of school traditions and history. The enduring and unique prefect system of Ashbury is well established and respected. Within the last 25 years the prefect role has evolved, for example, they no longer are expected to be responsible for other students' dress, other than being role models themselves. The relatively recent student council evolved to fill a perceived void of need for student voice to be expressed and heard.

There has been much written in recent years about corporate leadership and schools have been adapting new principles and practices. It makes sense too that Ashbury student leadership should evolve. Our new definition of leadership asks us to consider leaders in a *serving* role. Starting next year, students at any grade, will have the opportunity to take on leadership responsibilities. The concept allows students with a passion, to take risk and responsibility, with support. This model was distilled out of considerable consultation with students. There was by no means consensus, but it should not be in our nature to avoid some elements of risk.

Planning & Technology

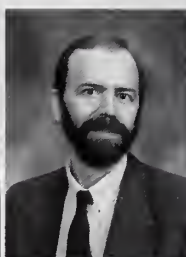

This year marks my 5th year at Ashbury College and my 1st year as an Assistant Headmaster. I feel a special connection with this year's grads because several of them have been in my TAG for the last four years. I am so proud of the way that I have seen them grow as individuals and responsible citizens. We have a very special yearbook this year and for all of their efforts in coordinating all the student volunteers a huge thank you goes to Mrs. Ford and Mrs. Rust. This yearbook would not be possible without their hard work. For me, what sets Ashbury apart from other schools is the sense of community you feel when you arrive at the school. Everyone is welcomed and embraced regardless of their background. It has been another great year at Ashbury College. I urge students to be active members in their communities, to support the school-community obligations and to continue to use their collective social conscience to give of time and money to those less fortunate in and around the school, the community and the rest of the world. Finally, I would like to thank all the staff members, the students and the community for your support over the past years. It continues to be an honour and a real pleasure working with you.

Retirements

Mrs. D. Ford

Head of
Geography

Dawn Ford is retiring after many years of dedicated service to Ashbury College. Dawn came to Ashbury in 1989 as a teacher of Latin. Her caring personality also made her a perfect choice for teaching English as a second language which she did with great success. With an academic background in geography she switched departments and has been teaching grade 9, grade 11 and grade 12 Geography for the last ten years.

Dawn is a teacher who is unassuming and very supportive to her peers and her students. She has been an excellent department head for Geography and has done a fabulous job monitoring the grade 9 students as the grade 9 coordinator as well as organizing and participating in the grade 9 camp held every September. Her involvement in the Friday night ski program and the countless hours spent working on the Ashbury Yearbook will be missed as she heads into a well deserved retirement. From the heart of Ashbury staff and students, we thank you and wish you all the best!

Mrs. M. A. Varley

Head of
Visual Arts

Mary Ann Varley retires this summer after a career at Ashbury that spans four headmasters and a period of twenty-eight years. Mary Ann began her Ashbury teaching career in 1978. Whilst raising a family and meeting the demands of teaching, she continued her own academic career, traveling back and forth to Montréal to finish her Bachelor of Arts, later to complete her Bachelor of Education and a Master of Arts degree from Concordia University. Life in the art department has changed over the years, developing from a few small classes taught to the junior school students in a basement room, to a program fully developed throughout the junior and senior schools. Over 200 students participate on a yearly basis, and there is an ever-growing group of senior school students going on to complete their International Baccalaureate Certificates. Students that have graduated pay tribute to Mrs. Varley's determination to see them achieve their goals. For some, these goals have developed into lives as professional artists. The Italian exchange programme is a new venture for the Art department. Students at Ashbury have the opportunity to visit major international museums and galleries and to see first hand art works, which had previously been viewed only on a screen. Whether in the classroom or in the Ducal Palace in Venice, Mary Ann shares her love for the Masters of Art with wit and an amazing plethora of background knowledge. As she describes an artwork, she interjects details with facts, trivia and elements of surprise. She is a tenacious person who has continued to strive for the best opportunities for her students and the department. She has sought to gain a high profile for art, she has helped to plan the proposed new art facility and has continued to work towards gaining a permanent exhibition space for student artwork. Try and get some rest Mary Ann!

SCHOOL CAPTAIN

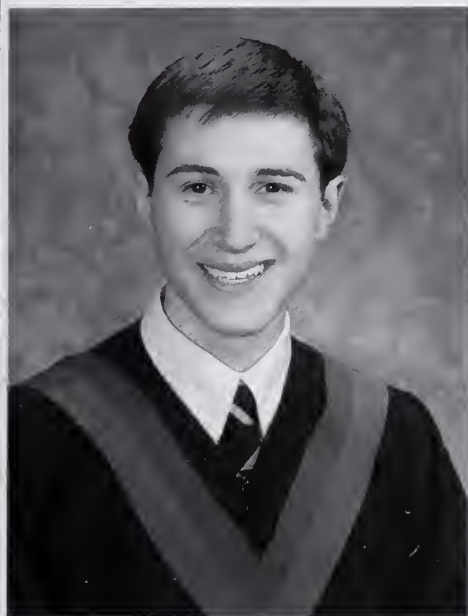

The 2005-2006 year was **AWESOME!** Thanks to the fabulous Prefects that put in über amounts of energy. Thank you to everyone who made my years at Ashbury, years to remember. To everyone you are close to, remember that there are big ships and small ships but the best ships are friendships (author unknown). Special thanks to Mutter und Vater für die Unterstützung und die Möglichkeit die ihr mir geboten habt!! To my big brother and sister, you're always there for me. To my other brothers and sisters; Ahmed, Ryan, MarkP, Rose, and Freddy – thanks for helping me through all the hard times and laughing with me through all the good! Habibi, you know more about me than I do, the memories are absolutely endless. Best of luck to everyone in the future! To all the teachers and especially Mr. Thachuk, Mr. G Taylor - you've impacted me in way that will last a lifetime. All the events; icebreaker, pictionary, cake eating, threesbees, prefect auction, pie the prefect, Noir, Coffee house, and many more, fuelled by your energy have made this a great year! Thanks so much for the amazing memories – you have all changed my life! Good luck to grads next year! Live everyday and make the most of it! Take care!

Tom Stieber

STUDENT COUNCIL PRESIDENT

It has truly been an honour and privilege to be the eighth Student Council President at Ashbury! I would like to thank past Presidents, Julianne Zussman and Christopher-Thomas Kelen for their guidance and advice. I admire both your leadership skills and personality.

Since I arrived at Ashbury I have devoted myself to Council. I worked hard to make the Ashbury experience a happy and memorable one for all. *Merci infiniment M. Pelletier! Pour moi, votre titre sur le Conseil d'Étudiants comme Conseillé de la Faculté vous appartiendra pour toujours! Vous êtes juste, sincère, et généreux. Vous m'avez donné la liberté de croire au défi, le courage d'exceller et la croyance que je peux me réaliser de mon mieux.*

Victoria and Harrison, I couldn't have asked for a better SC EXEC. I hope that you'll both be elected as Student Council Presidents too (or Prime Minister of Canada). THE SCCREW – if only the world was like you (it could get a little crazy at times, but it would be fun)! Thank you and congratulations for everything that you guys accomplished throughout the year.

To the grads and undergrads, CARPE DIEM. You have all had lasting impressions on me that I will always remember. All the best in your future endeavours, and keep in touch!

Teachers (M. Boulet, Mrs. Baxter, Mr. Holman to name a few), coaches (Mr. Josiah, Mr. Middleton), Mr. Gueulette, Mrs. Marshall, Mrs. Tordon & Ms. Berube, Mr. Ostrom, and Mr. Matthews – Thank you for your support. Thanks mom, dad and Alex for all your help, love, and support. I couldn't have done it all without you!

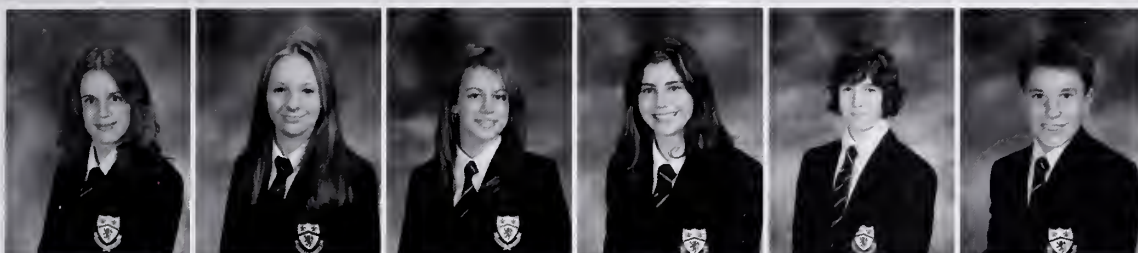

Finally, I would like to extend my gratitude to all Ashbury students. Thank you for electing me, and giving me the chance to represent you as your 2005-2006 Student Council President! Good luck to next year's President!

PEACE, MATT CRUP;)

The last 4 years have been quite the roller-coaster for me, but I'm here. For all the good times I've had, there was usually a bad, but I always had my friends to pick me back up onto my feet, and for that I'm infinitely grateful. I'd like to thank my family for the constant support (and angry persistence), my friends, teachers and God, (as well as over 300 000 000 sticks of sandalwood incense) I could not have done the IB without them. Here's to more of the same

A day without laughter is a day wasted. Thanks to my crew for the funny moments...BC-car missions/CANCUN! KF-naps on the field. SC-trembs/buy me a star. MS-clubbin'/buddies/cartape! AM-unforgettable 18/ ID mingles. SC-new years/OYLC! DOR-gr.7 days/MTL nights. AE-shopping/falling at CM. To my brothers from another mother (aka my NTC boys) awkward. friday night lights. glebe crew miss ya! Mum, Daddy & Didi: Love you Like you! I love you all like a fat kid loves cake.

I just want to say thank you to all my friends that stood by me like Shelley, Michelle L., Michelle B., Kate, and Yumiko. Also, to all my favourite boarders especially the original Maclaren Girls Fan, Rita, and Naurko. Thank you Poon for your amazing drawing. Most importantly I need to thank my wonderful mother and sister that encouraged me to leave home and find another life in Canada.

Wow, that was a long journey from grade 7 to now. To the staff....thanks for passing me. To my parents...thanks for not giving up. To the "crew" thanks for sticking by my side when things were looking down. True friends always come through in times of need. To all my other friends thanks for all the good times and good luck. Cream get the money... Dolla Dolla Bill Y'all !!

Thanks to all the people that made me stop and look around during my time at Ashbury.

High School and a song taught me that you can't always get what you want. My family taught me to be strong through it all and have given me a safe haven and I appreciate it more than you know. My friends taught me there's nothing a long chat and a Starbucks can't fix. Thanks for getting me through. New opportunities have taught me that sometimes disappointment is a blessing in disguise. I've learned a lot, I've had fun and now I'm excited to see what the future holds.

It has been a first-class experience learning with such bright and energetic young minds. BBall MacKinnon, Bones, 6 years what can I say. Football never got to go to the ship, but memories. Many memories, many lost memories... much thanks to all the boys, ya know who are. Thanks to the Family, Jeff carry on where I left off, Sarah only 1 more to go. High school was a blast, no regrets, those who are left, keep chillin. Peace.

Michelle Bloodworth

What can I say about the past four years? Thanks to all of my friends for putting up with me, I miss you guys already *tear*. Remember all the inside jokes: communism, Petey, Potomac water, City TV dances, bloody taxis, shuuuuuuut up, "no one runs, they just walk at a brisk pace", fur balls, Rupert Brooke, explicate, spread the love, and did I mention Petey? Thanks for tolerating (barely) my constant WW references and in that spirit, I just have to ask: "What's next?"

My experience at Ashbury is one that I will never forget. Be it playing hockey and winning championships, playing Rugby at OFSAA, music gigs or partying with friends and exchange students, if I had to do it again I wouldn't change a thing. Once accepted, I didn't think I'd last, but here I am graduating, thanks to everyone that helped me along the way: teachers, coaches, colleagues and all.

We won't stop until we are the people we've decided we should be. I wanna be a shot heard 'round the world, uns t o p p a b l e , this distance is not something we'll regret, from here, and now, and today, and forever, and days after that 'till the very end. (Against Me)

Chris <3 (x2)

Firstly, I certainly wouldn't be here without Mom and Dad, to them, thanks. Thanks to all of my teachers, but especially Mr. Gueulette, Mr. Merritt, Coache Beltran, Coach Middleton and Coach Josiah. To the small town I've known for so long now, Goodbye, and to all the great people I've met along the way, so long. Maybe we'll meet again someday.

Jake Boyd

I want to thank my parents for supporting me throughout and my teachers for helping me learn more than just school. I also want to thank all my friends, you guys kept me going and made my life more fun and worthwhile. Let's never let distance come between us. Lastly, I love you GMJ and will never forget your strength. I always knew looking back on the tears would make me laugh but I never knew looking back on the laughs would make me cry... Thank you...

Wow, 4 yrs at Ashbury flew by. In the end I find myself thinking about the beginning, and all the moments that lead up to where I am now. As I sit here reflecting on the greatest 4 yrs of my life, certain moments flash across my eyes. Butter chicken/ NYC/ Fri. ski/ shindigs/ grad '05 (hey, is that...) To my friends and teachers: you're the greatest. Here's to late nights and early mornings. I owe it all to my parents for making what used to be a dream into reality.

Kate Burnett

After 4 years I just want to thank all of my teachers, and especially my friends for putting up with my Lord of the Ringness, Harry Potterness, communist, golfness and all around oddness for all of these years. I also would like to thank my parents for telling me to stop working and go golfing. As for a parting tip from me to all Ashburians: never run, just walk at a brisk pace.

Cant remember gr. 9 or 10, must be the concussions, lobster dance and howard stern, football the hammer connection fight music/late night hour-good luck next year, hockey-rev pullham moore/UCC, trembs gettin' rr done with bones russel atd am dr dl evr ic gl gb jm mb nd rk sm tg, slumber parties, good times with gr. 10/11's thanks smith btran frick frack, Andrew Justin mom dad thnx for all

It's not the big things, but little things that make it worthwhile; 7-11, triple teaming Ryan, board game Wednesdays, telling Evan to chill out (try it sometime), Stoked I & II, Sham the iguana, canoe trip, and other things, but not the IB. Thanks coaches, teachers and teams. Thanks Matt, Mom and Dad. I chose my parents wisely. To NTC and other chillers "Cheers to friends."

Thanks to everyone who supported me and were always there for me. So many great memories and times I will never forget. Everything was better cause of my friends. NTC...thanks for the laughs and the girls so many awesome times, you've made it great. love you. Dre we made it out alive thanks for sticking by through tears and smiles since day one you mean the world, I'll miss you always. Sareens you've taught me much, Samy thanks for the good times. To everyone its been a BLAST!

Rebecca Campbell

You would never think SO much thought would go into a 400 character write up. Having to sum up 7 years in not even a paragraph can serve as some justification-I suppose. Ashbury has given me a truly, memorable past that no other school could offer with the sports, friends, clubs.

I would like to thank all those people who have helped me over my 8 years at Ashbury. Especially my soccer coaches James McKirdy, Greg Taylor, and Chapman Uko. I know the recent success of the soccer program is due to the contributions of these people. Thanks to all my friends (you know who you are) who have been around through the good and the bad. Remember: "Pay no attention to what the critics say; no statue has ever been erected to a critic; so follow your dreams"

Tick, tock, and time she flies. I'll always remember. A few yesterdays ago, I was but a grade 9 girl walking down halls unknown to me. To-morrows, tomorrow, is now today - ASH is a second home. I'll always remember. Mom, Dad, and family, I love you. My girls and my boys - you are all so very special. I'll always remember. I laughed, I learned, I loved, and lucked out...memories forever xo

It's hard to believe that my years at Ashbury are already over - from arriving with the MCA crew (KK, KB, VB, ML & SP) to becoming Student Council President. Thanks to all my teachers (especially MAP) and friends for their help and support. Big shout out to all my friends in younger grades (SC/Gr.9 Camp/Gr.10 TAG). Mom and Dad, I could never have done it without you. Good luck little bro at Ashbury when it's your turn. I hope that you'll become President too! PEACE

Things I'll never forget: NYC, NOIR, Viennese Ball, Chemistry Class: gossip and high molarities. It's not easy to imagine where life will lead us, but this I can say—to mis amigos: you have made it possible for me to survive; to my parents: thanks for this opportunity; to Ashbury: it's sometimes been great, it's at times not been—we muddled through somehow, and... I'm still standing.

It is finally over, no more Ashbury and no more IB. So many things to remember even though there a few that need to be forgotten. Good times at the stoop and trembs, RK TO AG IC TG JM MB EP DR AD KF TS EV and everyone else. Muchas gracias a todos los que me apoyaron y siempre creyeron en mí. I'm so lucky to have had my friends and family beside me these past 4 years. To: japan, the cheese n c r a c k e r s , Buddha+capbara (cleve Mar), 'lennyusufongrr', dolcé&cabanna, the friendships I've made, the trips, the crazy nights and recoveries MP,DG,MD,LS. Mom & Dad- thnx 4 the love & support. Brandon- 4 looking out for me. Bianca- the greatest friend + sister ne! cud ask for (u kept me sane). So I leave with lasting memories and a hop in my step- tata.

4 years at Ash have gone by really fast and my friends have made it all the better. Michelle B-too many memories too count but I'll say this: best friends forever no matter what. Michelle L-12 years went by too fast. Alex-construction workers, ostentatiousness! Yumiko-Petey rocks! Kate-Washington, New York-too many memories-bloody taxis! To all my teachers-thank you for all your help. To Mom, Dad, and Gran-thank you so much for everything and I love ya!

From past to present there have been good times. My buddies and buddies know who they are, it was grand. To the social bunch sweet, and the close ones sweeter. To my rugger boys and men it's been a ball. All I can really discern from this blur that was high school is a few slumps but even more bumps - the good variety. Felicitations to those who accomplished their goals, and 'half full' to those who didn't. I regard my experience with a humble veneration.

"When you find something great, hold on to it". Leaving Ashbury is like having to walk away from something wonderful that I have found and cherished. The friends and experiences that I have had have shaped the greatest four years of my life. Parting from what holds so many memories is going to be hard, but every journey begins with a single step, a step which I am prepared to take. Trust the process of life, and let the beauty you love be what you do. Thanks.

4 years finally done. Thanks to my family for the unconditional love & support- LISA you are the best sister EVER. Thanks to the teachers & friends that have made a difference. Memories: rec soccer, France, Thailand, Theatre, 'Cuba', guys boarding, Fort Compton. Anne, Mac, & Rosie, good luck- the worst is yet to come. Ross...thank you for keeping me sane, giving me new faith & showing me a thing or two about love. "A journey of a thousand miles begins with a single step." (Confucius)

Five years of hard work, heartbreak and culminating insanity. From the early years of strudel-hood to my infamy as the (evil) baron, my friends have always been instigators in my constant strive for something eloquently put. Who am I to question these comprehensive workings, but to step aside and let it happen? So maybe we'll find out what we really want to fight for out there. Here's to all the times I couldn't do what I wanted to do. Mom, Dad, Iggy, Nadia, Bird. This last song goes out to all the rats, rockers and truly original people I know. Relax - - this won't hurt...

I will always remember every single person who has made me smile and laugh throughout these past four years...you all know who you are.

Alexandra Harden

My lifetime experience at Ashbury has been extremely life changing, having to constantly put up with the fire alarms 24/7 and the fun filled inter-house events. But I would also like to thank all my teachers for helping me out, even when I was being stubborn, and thanks to all my friends for being there for me, even through the embarrassing moments, (the junior school staircase for example) and yah, that's my gossip for all of u out there, I had a great time, and I hope to see you all again, PEACE OUT A S H B U R Y !

Thank you to all of my teachers for inspiring me and helping me become the person I am today, especially Ms. Noonan and Mr. Simpson. To all of my friends, it has been quite the ride. Fond memories: weird dreams Rav4 and drama class. I love all of you and I hope that we stay in touch forever. Jilly, I missed you so much this year. You are the greatest. To my family and cats, thank you for your endless support and cuddles. I will never forget my time here. Cheers!

First and foremost, to my family, thank you Mom and Dad I am blessed to have you as parents. Mahmoud, good luck and all the best habibi, its been great times this year. Thanks to all the guys, so many good memories in the past three years. Tom, wenn Sie Mars erreichen, erhebt die ägyptische fahne. Its been an unforgettable experience and so many good times at Ashbury. Good luck to the class of 2006, i'll keep everyone close to my heart.

Time flies like an arrow. So make sure that you did not leave any regrets behind. When I first heard that proverb, I did not understand it. But look at me now. Wow. Time is surely fast. I've been in boarding for two years. And now I'm graduating which means I finish my high school life. It's done! Yeah! Was it fun? It was very fun except a few things (I would not mention what those were). I had great times with guys and girls in ASHBURY COLLEGE. (Man, it is an expansive school.) What can I say more? LOL. I hope to see you guys all in the future somewhere!

I would like to thank my parents for giving me the opportunity to attend Ashbury College, my teachers for educating me, and my friends for all the good times. I would especially like to thank my sister for her support, big hugs. To all those who knew me, I raise my glass to you. "Farewell, Cassius! If we do meet again, why, we shall smile; If not, why then, this parting was well made" -Julius Cesar Act 5, Scene 1

Antonio Job

So many things to remember, going back every year in September. Some people will remain in my brain forever and some I'll forget, but no matter what I wish them the best, for all their time spent with me. The sports that will remain, soccer, ski of ssa and Tremblant will stay in my brain. Aww ski ski ski, I'll remember the most chillin with all of thee, no need to call names, cuz you know you're all game. The crews' I'll think, ntc, c420c, all the rest that connect the link. You'll look back and read this, and know these days were timeless.

My last will and Testament for Ashbury life: With too many teachers available to thank the only way to thank them all is to say that Ashbury has certainly prepared me for university. I have certainly had some everlasting memories created here and made friendships that will last a lifetime. As a matter of fact I don't know if I will ever be the same person again after some of these experiences... and we will just leave it at that. CASSÉ!!! Goodbye and Thanks Ashbury!

Although my time at Ashbury has been short, I want to thank everybody for making my year the greatest it could have been. Between the encouraging teachers, and the welcoming, enthusiastic classmates, I found my place. Hats off to the outstanding graduating class of 2006. I hope you know how amazing you all are.

Graduation is bittersweet. It reminds me of the time that has come&gone, whether it were days of bliss or days I'd gladly erase. Thank you spare buddies: V.B., M.D., A.H. 4 keeping it fun, A.B., V.B., R.H., D.G., T.N., C.U. 4 listening, M.A., P.G.S. & P.B. 4 being inspirations, you have a special place in my heart. Learning that new beginnings come from another beginning's end was a lesson worth learning. R.W. mended my heart, I have nothing but love and admiration for you. In the end, it's not the stuff I learned from textbooks that I'll remember. It's the people, the memories, the experiences and the friendships that will last a lifetime. Thanks to Mom, Dad, and John for the constant support and guidance, to Mike for being there through the smiles and the tears, to teachers for lessons inside the classrooms and out, and to all my friends for making the last four years worthwhile.

I still remember as a child, how I couldn't wait to finish school... and now it's all over. How fast time flies. Only 2 years at ash, but 2 years that can't be forgotten. Although the work/stress/rules were sometimes unbearable, the good times were endless. Thanks to my family who gave me this opportunity and to everyone else who helped along the way. To boarders: keep up the fight! To all my friends I hope we meet again and look back at our memories, and to those who I will never see again, good luck and enjoy your life.

It's kind of fun to do the impossible. Be happy, nothing is impossible. We must not only act but also dream; not only plan, but also believe. (Bye, my friends. Bye, Ashbury. Daisukidayo, Naruko. To the world, you may be one person, but to me, you are the world. Don't cry, even though I am not beside you... I am always in your mind. (Anatole) (^ 0 ^))

It is difficult to bid farewell to so many memories. I wish the best to the many friends that I have made at Ash; A.E., A.J., J.B., D.S., S.K., M.H., & T.H. Memories of Friday's skiing, afternoon's playing tennis, running, morning's programming & weekend's unwinding. Thank you teachers & thank you Theatre. Mom and dad, Dziekuje za wszystko. All of you have changed me, and I hope to eventually repay your boundless efforts. Good bye. I will always miss you a l l .

The only thing which cannot be survived is death; everything else is within our limits of endurance. This journey ends with enough trials to keep me strong yet enough success to keep me eager. Though blunders and absurdities crept in, it was a ring of incredible people who held me together. Thank you for your faith and laughter, which gave me courage and your friendship to brighten my being. Much love. To Loobs: xoxoxo forever. Goodnight and farewell.

Goodbye to an amazing 4 years. I'm taking with me priceless memories and unforgettable experiences. Thanks Mom, Dad, Steph, Adam, David, & Woody for your unconditional love, guidance, and support. Seniors 2006 @ Ashbury rules. YSL, HYP, JEK, thanks for supporting me through the hard times. Love goes to my mother, father, and my two sisters NYL and CRL. You were always the ones who believed in me. Love also goes out to RW, JHK, YHH, and CF. Woolcombe house for life and will never forget the memories we've shared. Looking back at the past 4 years in high school, it was tough but short.

7 years later (with a break inbetween) isn't nearly long enough to grow up. Schools been good to me, The Love, the Friends, the sports, the coaches the teachers and the memories. Junior school shenanigans to senior school's and everything inbetween. R u g b y CAYMANS, City Champs, CAIS, OFSAA; Hockey City Champs, UCC and the seasons to come. To all my friends, NTC and Co. you've made it amazing, and we'll keep in touch when it's all over. To Mom and Dad thanks for Everything. Becca hope its not too boring without me. Jamie have fun growing up. Love you all.

Thanks everyone and
bye.

It's almost been a decade since grade 4 and I stuck in here the whole way. In the end it's been a great time, and partially I don't want to leave. But we all have to go our separate ways and I'll think of all the good times had with every grad after I go mine. The last few years have been some of the greatest and there's too much to list, so wherever we all end up remember the good times had, and live ones to come.

After six years at Ashbury, I still don't know what to say. As standard as it is; thanks to all my friends over the years: you have helped me feel infinite. From online gaming to rugby, from the lunchroom to backstage, from magic to programming, let the good times roll. To everyone who helped or taught me in some way, I won't forget you. Thank you to my family, for being there. Do nothing that you will regret, and keep it real. Until we meet again.

First off, thanks to all that made it happen, it was good while it lasted. As to what's in store for me post-Ashbury, your guess is as good as mine. But in the immortal words of Clinton Portis, I plan on "living like I ain't never lived before. If y'all see me in the news, and I make the news for something that I ain't got no business making it for, don't bash me. Say it was a young guy living." Late.

This year at Ashbury has been nothing short of inspirational -it was all great! Thank-you, to all my friends for the amazing times which seemed like they would never end & to my teachers who were so generous with their knowledge and encouragement. Memories of dinner parties, grads with D.T., viennese ball, tremblant, ballet girls, "bump" skiing in July, days in Madrid. I couldn't have asked for more. All my love & thanks to my wonderful family!

Grade 4 to Grade 12. Firstly, I want to thank my family, Mom, Dad and Liz, without you I would not be where I am today. Thanks to my teachers for a solid education. Most importantly, I have had the best times of my life over these past years. To all my boys and girls and every one else that I really got to know—thanks for making it so precious. Here's to many 1st times, trips, slumberfests, 1:30's, 711, madeats, SPORTS, the woods=life. I'm out.

There are too many good times and even more people to mention individually, so thanks to everyone who has played a part, big or small and you know who you are, in making my two years at Ashbury amazing. I wish you guys all the best, and I promise to do my part to keep in touch.

The moments spent here will be relived in my memories. Greatest thanks to those who have taught, guided, pushed and challenged me, your efforts have made me who I am. My future is a great universe of the unknown, although I do not know where it will bring me, I know the place from where I have come. I won't forget you or how you have enriched my life in your own unique way. May you find your passion, guiding stars and wisdom that you need to reach your own nirvana. I hope that nature can provide you guidance and solace, as it will be you who now takes the stage. Recycle for life

Two years in Ashbury Boarding done and done. There's been HIGH times =) and low times but I loved every second of it. Mom Dad and Cher thanks for putting up with me, you guys are stellar. Everyone at Ashbury you've impacted my life in some way and for that I can't thank you enough, love you all. Scott/Cyrus/ Ali/Crawler/Keyser Soze, you are my brothers. I have always said that if I should graduate, think only this of me: that there's some corner of a foreign establishment that is forever Ashbury. There shall be in that old carpet an older rug concealed; a dust whom Ashbury bore, shaped, made aware, gave, once, her fields to love, her hallways to roam, a body of Ashbury's, breathing College air, washed by the fountains, blest by the suns of home. Time flew during my two years at Ashbury. I started off as a boarder in grade 11 making boarders my second family. I look back at the things we did in boarding and some I will never forget... but above all my friends at boarding have shown me a lot. Grade 12 as a day student was a change, but friendships remained. I can remember myself in grade 11 worrying about how much there was left until I would graduate. I am thankful to my parents, who no matter what always encouraged me to continue (even in math...). Ashbury has been great to me and I hope I gave back to the school just as much.

To begin, my four years have been tasty. To my art family, Ziyi Zhang understands me. To the borders, OBEY YOUR MASTER! To WC: Burn no Book, except Alice Munroe. Life is like Tetris; you try to fit the psychedelically colorful pieces into lines to reap their sweet benefits. To my parents and grandparents, twin pillars of support. To good friends: Mike, Brian, MPG, Maxime. To teachers, cultivators of a truly inspiring environment: Mr. T, Mr. King, Ms. Sinclair, Ms. Duchinsky, Mrs. Baxter and Mr. Mousseau. To journeying, mounting the icy heights that contain all reason: PSYL (Preeti), Camp, Brown, history trips, NOIR. To mediocrity, walking wounded and disheveled. "C'est au moment du malheur qu'on s'habitue à la vérité" - A. Camus.

To satisfy ourselves, human beings want everything the way we want it. I would sometimes think why does one need an education especially if that person is involved in art scene. I feel that most important education for people who wish to be a painter, musician, or an actor is knowing the world. How to communicate with people, how to deal with people and how to survive. But obviously high school education is a must in the world today. I have met people who are now become an important part of my life. Thanks to R-star (PP#2), Aya (coolest RM ever!), Naru, Fan (my math teacher), My Love, Alax, Nat, BBL, everyone in IB art and Mrs. Varley!!

9 years. Some consider this insanity. I consider this a feat. For those who know me, thx 4 taking the time. You've witnessed an evolution. Here's to progression, poisons, originality, tree birds, sitcoms, food, funny faces and Houurgghht! I will never forget the house next door, my friends and their help (whether it be through consolation, saving a life, or feeding bread), the nameless band, metal, K³ (you've made me who I am today, Kocham Cie) the discipline and its revolt, and my final year. Sometimes I just think that time passes too quickly. We all have so many things to do, and so many stuffs to worry about, but still, we want to enjoy ourselves. At least I am lucky. If I had never come to Ashbury, I wouldn't be like what I am right now. So thank you, and good-bye Ashbury! To my dearest friends, Rita, PoonNarukoJHalex... wish you all live happily ever after (oneday) and the same to all of you who are reading this now. Enjoy your life!

Junior Football

6th row left to right: Coach Beltran, Coach Goulet, Coach Skahan, **Missing:** Coach Lindsey, Coach Sullivan. 5th row left to right: Noah Segal, Kyle Wall, Jarred-Ross Loeb, Joshua Logue, Brendan McGovern. 4th row left to right: Kenneth Cameron, Taylor McInnes, Lucky Kim, Brett Reid, Andreas Lightstone, Jean Robert Pimm Dupuch, Charlie Wright. 3rd row left to right: Harrison Niznick, Sean Ebsary, John Kauffman, Jacob Hardy, Josh Levitan, Jonathan Weinstein, Christopher Cameron, Maximilien Genest. 2nd row left to right: Zachary Chadnick, Adam LaRoche, Adam Leslie, Eddy Malouf, Matthew Beck, Alan Si, Jeffrey Black, Benjamin Ogonek, Thomas Murphy. Bottom row: Kevin Zehn, James McNee, Sam Chiasson, Ian Mutter, Alex Loiselle, Daniel Cherney, James Gwozdecky, Jonathan Fonberg, Brendan Pidgeon, Maggie Cogger-Orr

The junior football team struggled through a hard season this year but it ended on a high note. There were a lot of smaller players this year but with James Gwozdecky's punishing hits driving our defense and quarterback Harrison Niznick running our offence, we were worthy opponents. Our season started off with a 16-14 win over St. Pius but due to a ridiculous league ruling, the win got taken away from us. The next four games were difficult and we played well but ended up losing them all. So there we were, going into our final game, 0-5, about to face the number one team in the West Division, All Saints. We had no chance to get into the playoffs but our pride was at stake, and we had a chance to ruin this team's undefeated season. The whole school had come out to watch their team trample over Ashbury into a 6-0 season. Too bad for them, we were on fire and it wasn't long before the whole crowd had left. With our defence playing rock solid, Gwoz pounding their star running back, and three huge touchdowns, one by Daniel and two by Kevin, the score was tied at 20 a piece. We had the ball with 8 seconds left on their 15 and we decided to try to punt it into their end zone for the single point and the win. The ball flew high in the air and landed taking an unlucky backwards bounce, giving the returner time to pick up the ball... He got out of the end zone with only six inches to spare. To us this was a win and we were all jumping for joy because we had just accomplished what seemed to be the impossible and let me tell you, it was the best feeling in the world. After a hard fought season we ended up not 0-6 but 0-5-1. The team would like to thank all the coaches Goulet, Skahan, Beltran, Sully, Butler, and Smith for taking away from their time to help us out. We'd also like to give a special thanks to Coach Lindsey who's been with us for five years and this was his last, you've been great. Good luck to the Juniors next year, and I hope the hammer lives on.

Senior Football

4th row left to right: Coach Grey, Coach Smith, Coach Grisco, Coach. 3rd row left to right: Patrick Beatty, Michael Sutton, Nicholas Greenberg, Tommy Brothers, Julian Mirsky, Russell Garber, Nader Kaddour, Joshua D'Addario, Ricky Park, Marcus Zeidan, Timothy Grey. 2nd row left to right: Andrei Belik, Scott McLean, Patrick Tawagi, Alexander Beck, Matthew Cameron, Omar El-Sayed, Terry Doucet, Zachary Logue, Robert Dunlap, Patrick Pickering, Laurent-Olivier Villiard. Bottom row: Mark Bastianelli, Angus McCallum, David Ross, Nicholas Senn, Sandy Miller, Gregory Black, Eric Plaskacz, Evan Van Roon, Jake Ruddy, Ian Cameron, Nicholas Bray, Matthew Pitre, Matthew Burt

The 2005 Senior Football Colts had a highly successful season finishing with a 5-3 record and advanced to the city semi-finals. The highlights of the Colt's season were when they came up victorious in a grueling mud match against St. Matt's and a nail biting playoff dog fight against St. Joes. Honorable mention goes out to Greg Black and Jake Ruddy who made the all city team. It's never easy for a senior to move on leaving football behind. We begin to cherish the memories we made along the way and learn from the mistakes made in the process. The distinct smell of the locker room and the sweat and pain we left on the field become a fond memory that has passed too quickly. The bonds we had in the locker room and stories we made on the field connect all of us in a way that will never be forgotten. No matter what you were like or who you hung out with, on the football team you belonged undisputed and without question. We made friendships with those we never thought we could but we are thankful we did. We look back and give thanks to the ones who lead us along the way, these men who pushed us to our limits and drove us to want more. These coaches that gave up their time to teach us courage, confidence and self discipline and who expected nothing in return but sheer love for the game. We thank them for being such inspirations in our lives and shed a tear that it all has to stop. Our futures lay uncertain but what we know is that we all have changed and benefited because of this football program and we will never forget that. Written by Team Captain Eric Plaskacz.

Junior Boys' Soccer

Top row left to right: Coach LeGresley, Coach Uko, Alex Amundsen, Joe Crawford, Adam Kanczuga, John Wright, Ian Cameron, Francisco Galvez, Mahmoud Ibrahim, Nicholas Yeung, JaiKay Kim, Pablo Ehlers, Kai Cheng, Coach MacKinnon; Bottom row left to right: Mehdi Salemi, Armin Ruzbie, Jordan Masys, Quinn Abugov, John Conway, Peter Leenen, Simon Sigler, Alex Zaporzan.

The Junior Boys' soccer team had a very successful season. We started off the season with a win versus the soon to be city finalists Hillcrest. We then lost to Lisgar and then proceeded to be undefeated through out the rest of the regular season. We unfortunately lost to Colonel By in a hard fought quarter-final match. Our team was comprised of about half grade nines and half grade tens. We ended up finishing with a record of three wins, one loss and two ties. The team would like to thank Coaches Uko, MacKinnon, and LeGresley for their effort and knowledge of the beautiful game!

Top row left to right: Peter Haddad, Justin Steinburg, Michael Portner Gartke, Andrew Clark, Ryan Kruyne, Will Robinson, Davide Panzeri, Borja de Aristegui y Arroyo, Mario Casiraghi, Antonio Job. Bottom row left to right: Tim Allen, Ali Golkarieh, Neel Chadha, Thomas Stieber, Abdul-Hakim Garuba, Pablo Arizpe Andrade, Yoichi Kadota, Philip Tahir.

The senior boys' soccer team was eager to get back on the pitch after a very successful OFSAA tournament in Sudbury in June 2005. With many returning players from that silver medal performance, the team was confident as they started the season. Early on, lead by captains Andrew Clark and Ryan Kruyne, the team had success against Garneau H.S. (1-0) and Immaculata H.S. (4-3). In a very tough encounter against Cairine Wilson H.S. we lost 0-1. Ashbury played very well against Cairine Wilson and carried that play for the remainder of the season. We handily beat Gisele Lalonde H.S. (5-0), and tied both Louis Riel H.S. (2-2) and Osgoode H.S. (1-1). We were the only team to take a point from Osgoode, who were undefeated and had scored 27 goals on their opponents. In the final game of the season, Ashbury qualified to represent Ottawa at 'A' OFSAA by defeating Gisele Lalonde for a second time. The team will reassemble in June 2006 and try to go one place higher at OFSAA in Timmins. Our primary goal scorers this year were Andrew Clarke, Yoichi Kadota, and Pablo Arizpe Andrade. They were ably supported in the midfield by Peter Haddad, Tim Allen, Ali Golkarieh, and Jon Shearman. As the shirt says, "defenses win championships". Ryan Kruyne, Mario Casiraghi, Will Robinson, Neel Chadha, Philip Tahir and goalkeeper Tom Stieber were standouts defensively as we gave up the second fewest goals against in our division. We say goodbye to several graduating players including Hakim Garuba, Antonio Job, Michael Portner-Gartke, and Justin Steinberg. But we hope to see Borja de Aristegui and Davide Panzeri back next year. The coaches, Mr. J. McKirdy and Mr. G. Taylor, wish to thank all players for their contributions to a memorable season.

From Left: Ms. Gomme; Dana Achtemichuk; Kaleigh McMurray; Elyse Malouf; Pamela Kajjouni; Allison Biewald; Anneka Bakker; Charlotte MacKenzie; Stephanie Sardelis; Véronique Duchesne; Katherine Belley; Miss Kennedy

The team had an outstanding season in both league and tournament play. As well as achieving a winning record in all 4 tournaments, Ashbury captured the Fall Classic championship for the first time. The team finished the season with a 21-6 record. In 4 of the 6 losses, the point differential was 3 or less. Ashbury earned 2nd place in their division which meant the team faced Gloucester in the quarter-final. They defeated this team 36-29 and narrowly missed going to the finals after losing to St. Matthews in a very gutsy performance in the semi-finals. Throughout the season, the team represented Ashbury with determination, heart and class.

Senior Girls' Basketball

Bottom Row from left: Zoe Brewster; Sam Pottier; Taylar Reid; Meaghan Wudwud; Laura Richardson; Christine McClellan

The Ashbury girls' basketball team had a great 2005 season. Throughout the season we had two away tournaments which proved to be beneficial as the team became closer as a group and skills became notably better. Improvement was seen throughout the season. Even with a small team and only two graduating players the team was nevertheless committed and hardworking. Despite a close loss for our last game to end the season, many lessons and skills were acquired along the way. Huge thanks go out to Mr. Sparks and Mr. MacKinnon, whose dedication to the sport as well as the team did not go unnoticed. The improvements that were seen were thanks to their ability to consistently push each individual player and their high expectations regardless of the team's experience. Thanks a lot girls for the constant work during both games and practices. Good luck to next year's team.

This year's Field Hockey team had once again a very successful playing season placing first for a second year in the Tier 1 Eastern Conference. This year the team had a loss free season, heading into the Quarter Final playoff match with a 6-0-0 record. This included a winning game vs. Colonel By on the turf at Minto Field.

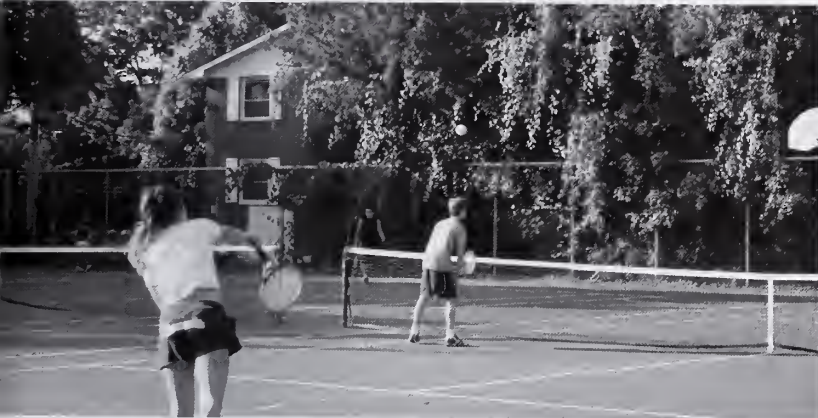

Unfortunately, the team lost the Quarter Final match vs. SRB with a very close score of 2-1. The girls put in a valiant effort and performed very well under the circumstances. The coaches, Mrs. Denison, Mrs. Munro Collins and Miss Testa, are very proud of the team's dedication, enthusiasm and hard work that the entire group displayed this year. All the best to graduating students Kate Burnett, Jena Hall, Vicky Lebel, Michelle Legault, Ali Matthews and Annie Ritter.

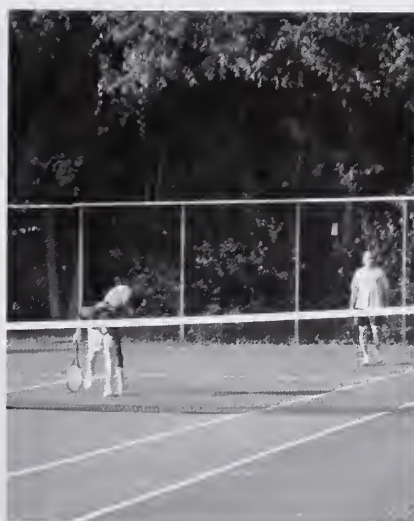

Tennis

Mr. Holman, Sarah Burrows, Emily Baxter, Iris E, Elli McKean, Maria Flores, Rebecca Glover, Caroline Boulos, Julia Jones, Maddison Sellar, Alexandra Grand, Ayaka Ishikawa, Mr. Penton, Micheal Aquino, Adam Scotti, Julien Russell-Brunet, Matthew Kelly, Robert Kelly, Andrew Cameron, Thomas Mains, Amir Mobasher, Cassidy Tepper. Absent: Ashley Brooks, Amanda Garbutt, Alex Hunt

The A and B tennis teams had another successful year. The B team placed first in the East during regular season play and advanced all entries to the City Championship tournament. At the tournament, Caroline Boulos won the bronze medal in girls' singles, Andrew Cameron and Thomas Mains won the bronze medal in boys' doubles and Ashley Brooks and Sarah Burrows won the silver medal in girls' doubles.

The A team placed second during regular season and qualified in girls' doubles and mixed doubles for the City Championship tournament. The mixed doubles team of Madison Sellar and Alex Hunt won the silver medal, while Amanda Garbutt and Ayaka Ishikawa were gold medal winners in girls' doubles.

We would like to thank and wish best of luck to graduating players Amanda Garbutt, Alex Grand, Madison Sellar, Iris E, Julien Russel-Brunet and Alex Hunt.

The X-Country Running team had a fun-filled yet grueling season this year. As an example, we traveled to Trinity College School in September and had a fun-filled bus ride, and were challenged by the grueling hill (some would call it a small mountain – mainly due to the lack of oxygen at the top of the hill) at the meet.

This fun-filled yet grueling theme was also evident in our workouts. We had fun dodging dogs in the warm ups and pushed ourselves to the max during the sprints and hills. The team competed in 4 meets in total and had a single member advance to the OFSSAA finals. Midget and Senior Girls were sooo close to qualifying as teams – the challenge is on for next year.

New this year to our workout regime was Thursday Yoga sessions. We tapped into our inner spirit in these sessions; they really worked to balance the intensity of the mid-season workouts.

Rowing

If you asked any team to jog/bike three kilometers before practice, and then again after a good hour of high endurance activity, you'd most likely be facing a mutiny. This routine occurs three times a week for most of Ashbury's rowing team. To say rowing is physically demanding is an understatement, but any rower will tell you that the efforts of getting to and from practice and getting the boat in and out the water is a small price to pay for the sheer bliss of gliding across the Ottawa River in synch with seven of your mates. Hours spent enjoying sunshine and a relaxing breeze beats being cooped up inside or repeating plays ad infinitum, leading rowers to feel our club is Ashbury's best-kept co-curricular secret.

The autumn season welcomed many first-time rowers who were led by veterans Mark Ouseley, Marta Janczarski, and Corey Arnold. Our team learned quickly via the expert instruction of Ottawa Rowing Club stalwart Roy Hopper, and even those who were completely new became effective teammates after just a few weeks. All of the fun and hard work was culminated in the year end regatta on a cold, rainy October morning. The Ashbury boat, The Guild, was unlucky not to come away with any team medals, but was lucky to survive the erratic rowing of some other boats. In all, our rowing team could look toward the spring season with lofty goals having built a strong foundation during the autumn.

Swimming

The Ashbury swim team had a great first season, participating in 3 mini-meets and the NCCSSA championships. Every swimmer had strong performances, achieving personal goals and learning new skills. The highlight of the season was the NCCSSA championships, a tough all-day meet with over 500 participants from 14 Ottawa area schools. Ashbury swimmers shone in the finals, in many cases placing in the top 10. Outstanding results include Katherine Belley, 2nd in the Junior Girls 50m breaststroke; Rebecca Loeb, 3rd in the Junior Girls 50m freestyle; Katie Yelle, 6th in the Junior Girls 50 backstroke and Kate Portner-Gartke, 6th in the Junior Girls 100 freestyle. The novice and junior girls 200m freestyle relays teams also placed 5th and 3rd respectively in the relay finals. Congratulations to all swimmers for an outstanding season!

Senior Boys Basketball Team had a difficult challenge by the first half of the season missing two of their stars: Greg (GBlock) Black, and Eric (Bones) Plaskacz. In many of their games within the early part of the season, the Ashbury Colts Senior Basketball Team was able to rebound, and started winning games against some of the teams in the city. They advanced to the NCSSAA tournament, a close battle against Deslauriers to end their season. With the dedication and commitment of Coach MacKinnon, Todd Plaskacz, and Andy Sparks, the Senior Basketball Team was able to produce positive results in a challenging season. Thanks to all the members of the team, the coaches and supporters. Good luck to both the current players, and the graduating players: Kenson (Win-tensen-Cheffins), Mike (Sean Bradley) Woods, Ian (Ty) Turner, Greg (GBlock) Black, and Eric (Bones)

The Ashbury "Mighty Ducks" varsity hockey team had another exhilarating season this year. With coaches Ham, Moore and Pulham behind the bench, we returned to face Tier 1 after two successful years in the Tier 2 division. UCC proved to be the highlight of our season where we advanced to the finals but ended with a hard-fought loss to St. Andrew's College. Back in Ottawa we fought through the season with a number of injuries, managing to advance to the first round of the playoffs. Unfortunately St. Joseph's ended our flight here, but it was a memorable season nonetheless. Many thanks to our affiliates (Joseph "Superstar" Manley, Kwesi "K-Man" Bourne), our dedicated managers Victoria Shore and Mara Chadnick and, of course, to our coaches for their unwavering dedication and enthusiasm. Best of luck to next year's team.

This was a development year for the nordic ski team. Graeme McDowell, last year's Novice Boys winner at the NCSSAA championships, and Mark Ouseley were our veteran skiers. Though he was a stalwart participant in training, Mark Ouseley was unable to compete in the local high school races, leaving competition to Graeme and our new grade 9 skier, John Conway.

Graeme gave a strong, determined performance over an 8 km course and soon after the finish had a smile on his face. With a strong background in nordic ski racing, and helped by his near ceaseless physical activity (indoor soccer and waterpolo), John was able to strap on his skis and perform at a very impressive level. On a 5 km course he qualified as the second Junior Boy in the Ottawa area to qualify for OFSSAA, held in Barrie this year. Later John came 16th at OFSAA, a result made all the more impressive by the fact that John has one more year in his age category.

We hope to develop relay teams in both the girls and boys divisions next year and work towards sending a team to OFSSAA. So, if you enjoy being outside on snow, have heart, and want to get into better shape than you have ever been in, consider joining nordic skiing next year

This year was a bit of a rebuilding year for the Ashbury ski team, losing a number of key racers to graduation last year. This gave younger skiers the opportunity to step up to the plate. This year at NCSSAA, Ashbury put forward strong competition, with the level 2 boys receiving gold in Slalom, novice girls also achieving gold, and the novice team the overall trophy. Antonio Job, being the National Capital Overall Champion, qualified for OFSAA and won silver in Giant Slalom there. A HUGE thanks Mrs. Matthews, Senior Beltran, and Ms. Kruz. Good luck to the graduating students in any future endeavors, skiing related or not. Also thanks to all the new skiers who came out and hope to see you all next year!

White Team

The Junior Girls Volleyball team improved immensely over the course of our season. From fall practices to tournaments to games, these girls always came enthused to play. Many thanks to Pamelama Ding-Dong and her contagious laugh. With Anneka's huge blocks, Nicola and Laurie's amazing sets, and Elyse's crazy hits and everyone's determination it was no wonder that this team managed to make it to the East quarter Finals in a very strong tier. We all showed huge improvements and really came together as a team towards the end of the season. Good luck next year to all the grade nines, I'm sure that you'll make us proud. Huge thanks to Mr. Mac Kinnon, and Jill for all their help and patience in coaching us this season.

Maroon Team

The Ashbury's Maroon Volleyball Team first season ever has been a great success. Beginning in November, the team showed immense spirit and dedication throughout the long term. All the girls were able to gain invaluable experience during friendly matches and interscholastic tournaments. Some highlights include Katherine MacDonald being selected to play in the All-Start West Side City Team at Franco-Cite's tournament, while Caroline Garel-Jones and Elena Clark competed in hitting and serving competition. Thank you to coach MacKinnon for creating the opportunity for all the Maroon players to be part of the Ashbury Volleyball program, and coaches Sosnowska and Testa for their time and dedication to the team.

Senior Girls' Volleyball

The Ashbury Senior Girl's Volleyball Team had a very successful season. In league play we finished with a 7-3 record, won silver at the Carleton Senior Girls' Invitational and a bronze (plus \$100!) at the Queens tournament in Kingston. The annual trip to The Big Nickel tournament in Sudbury turned into quite an adventure when we only had six regulars able to go, so we borrowed a setter from SRB and coaxed Maria Beaumaster out of retirement to help us out. However, the season's highlight was defeating Elmwood, not once, but twice. First, we defeated the Eagles in our regular season match 3-2, which gave us the confidence to defeat them once again (3-1) in the OFSAA Qualifier at Lester B. Pearson. An incredible group of boisterous fans came out to watch and to you we are forever grateful. We amassed a 3-3 record and had a fun time at OFSAA. It was a great learning experience that will hopefully prepare the returning players for next year! Not only were we a skilled team this year but a very close-knit group of girls. We had amazing times at our out of town tournaments between the dinners, the end of the year party, and our infamous team portrait. To the graduating players, Jena and Iris, you will be deeply missed. To the returning players, Jill, Steph, Tamara, Catherine, Burcu, Camille and Taylar good luck next year! Finally, and most importantly thank you to Mr. Miedema (aka Mieds), Mr. Valentine (aka Mr.V) and Mrs. Marshall for all of their hard work and dedication. The sweat, the tears and the laughter have made this a very memorable season, thank you!

Track and Field had an absolutely amazing year this year. Although we did not get the best weather or the best locations at the track meets, we still managed to have a lot of fun. I know this is due to the tireless efforts of all our coaches. On behalf of the track team, thank you to Mr. Putt, Mrs. Holman, Mr. Smith, Mr. Sparks, Katie Sparks, and Mrs. McCready, for a wonderful year. Good luck to all the returning track team members!

Absent: Coach Ostrom.

The junior boys rugby season started off in St. Catharines at Ridley College for the CAIS Rugby Tournament. We played 5 games over three days and won games versus St. Andrew's College, Trinity College, King's Edgehill School, Ridley College and losing only to Appelby College. This 4 and 1 record was enough to crown us as the "2006 CAIS Rugby Tournament Champions". Our regular season finished on May 24th against Nepean, where Ashbury came out victorious over last year's City Champions. We now head into the playoffs with a 4 and 1 record hoping to play some good rugby and do well in the post season! Thank you to all the players for continuing to be committed to the program and playing the game with genuine desire and love for sport, as these are only a few of the reasons why we continue to field such a competitive program. Thank you to Mr. Nichol and Mr. Ostrom for their dedication to coaching and support on and off the field! See you all on the rugby pitch next year, Mr. Beltran.

Dream Big. Play even bigger. Who would have known that a varsity team with 0 grads could defend the CAIS Championship title for a seventh consecutive year? It starts with our Fantastic Four coaches: You're all amazing in the great dimensions you bring to our PG-13 team. Grade 9s- way to step it up and fill in some big pairs of shoes. Grade 10s- you've all only played 1 full season but it's enough to make you veterans. Grade 11s- new and old- keep digging deep and it will surely pay off. Grade 12s- nope. We've experienced many new things, U-14 tournament...let's not talk about it. Forwards: domination every time- we never stop. Backs: run hard, hit even harder, heads and tails, up up up. We've had some great runs and the season is still well underway, anything is possible and impossible is nothing. Give'r hard, and love every minute of it. We'll be back next year...but Peepee we'll be missing you a lot. Jill Maclaren and Sophie Moher

Badminton

We had a fabulous and exciting year of badminton. We started practicing since the beginning of the year and this can be seen through the great results of both the Junior and senior team. Most of the junior and senior team came second in the Eastern Conference. The senior girls' doubles went further and came third in the Nationals. Congratulations to all members of the team! We would like to thank Mr. Sparks and Mrs. Matthews for coaching us this year.

Golf

This season the golf team prepared for the Board Golf tournament with its usual enthusiasm; most of the players were involved in other sports, and had limited time for practice. As usual the coaches of the other school teams were very cooperative, allowing the players to miss a couple of practices to get ready for the golf tournament, and both the players and the coach were appreciative of this. The team was made up of 5 players: Paul McGee, Alex Hunt, Drew Bechtel, and Jeremy Lockwood-Menard made up the boys team; Kate Burnett was our lone participant in the girls' division. The day of the tournament it was raining so hard that the course had to be closed. We ended up playing the following week. On the day, the boys had some difficulty with the wind and didn't perform as well as they had hoped to. Kate, however managed to cope with the wind and ended up winning the tournament for the girls. In fact Kate's score put the whole team in 5th place overall. While we didn't win the team title, all our golfers worked and played hard, and were a pleasure to work with.

Although the Jr. Girls soccer team started out on a losing streak, we managed to come back in the regular season games with 2 losses, 2 wins, and 2 ties. This meant that we qualified for playoffs making our season last even longer which everyone wanted. The season was filled with intensity, enthusiasm and encouragement; both from teammates and our amazing coaches: Coach G. Taylor and Coach Uko (Chaps). They kept us wanting more even when we were discouraged, which helped push us along to try even harder. Our goalie was awesome with our 4 game shut out. Thanks to our defense line as well who never let the other teams get a shot on goal. Our midfields and forwards worked together to keep putting pressure on the opposition which led to our success. All in all, everyone meshed together as a team should and we all learned a lot while having a fun, enjoyable experience with soccer.

For the first time in a number of years, Ashbury fielded a senior girls soccer team in tier 1. Due to the young age of most of the players and the relative lack of combined experience, the competition at this level proved to be very tough. Nevertheless, the coaches have continued to be impressed with the unrelenting grit and determination of the team and the visible improvements in every player over the course of the season. We look forward to next year with the promise of a yet stronger performance in tier 1 and say a fond farewell to our graduating players Iris E (MVP), Dominique Genest, Jena Hall, Alexandra Harden, and Samantha Pottier (winner of overall contribution to the soccer program). Congratulations to Caroline Boulos (Gr 11) who received MIP.

With a lot of heart and effort this team set out the season to just better themselves. The lack of experience on the team was apparent from the start of the season, but as the season progressed, so did the playing abilities of each member of the team. A BIG thank you to the assistant coaches, Mr. Pulham and Rev. Ham; without their hard work and dedication, the team would not have been as successful.

Ashbury Debate and Speech Society

Every week, Wednesdays at lunch in room 122, something happened, something big. Arguments were made, points of view exchanged and opinions shattered. Yes, it was a year to remember for debating. We forged new ground with the chapel debates, which featured 11 students over 3 days debating various issues of faith such as; Everyone needs a God; Prayer works; and The depiction of religious symbols should be censored. We also started inter-house debates, which allowed non-debaters to try their hand at our pastime. We won many prizes this year as well. Caroline Boulos and Mathieu Sasseville reinforced our reputation as experts in the French and bilingual categories, and the Bilingual Provincial Trophy, which Brian Chen also won last year, was brought home again by Caroline. Meanwhile, Amanda Le and Michael Portner Gartke won at Ottawa U and we also had the opportunity to host the English Regionals here at Ashbury.

The public speaking side of the society also had a busy and successful year. In the fall, Rosemary La Prairie, Rebecca Glover and Lucas Kocia competed with distinction at the International Independent Schools Public Speaking Competition at Selwyn House School in Montreal. The highlight of the year, however, was the Norma McCrae Public Speaking Competition held at Havergal College in Toronto. Bobby Kelly, Adam Laroche and Rebecca Glover represented Ashbury as a senior team. Rebecca brought home a first place in After Dinner Speaking with a speech on the virtues of speed-dating, while Adam earned a second place with an address to the Association of Illegal Immigrants. Adam also won first in the impromptu speaking category. Other events, including an Evening of Shakespeare performances, rounded out the year.

Mr. Speaker, be it resolved that it was a year to remember.

WORLD AFFAIRS

The World Affairs Club hosted several speakers this year covering a wide range of topics such as development in Africa, public safety, gender and war issues, the role of NGO's in international development and human rights, the aftermath of the tsunami, refugee camps in Africa, the problems with non-renewable resources like oil, and many more. Some of the speakers included the Hon. Mauril Belanger, Alex Neve from Amnesty International, and a Congolese refugee named Rama Makelele. In addition to weekly meetings, the World Affairs Club organized International Day – UN Reform and Child Soldiers, which was a great success. The day opened with key note speaker Allan Rock, Canadian Ambassador to the UN, followed by a documentary on child soldiers, with discussion groups, international food booths and theater performances later in the day. Thanks go to Mrs. Novick and Mr. Josiah for all their time and dedication to the program.

MODEL UN

The Model UN club participated in several activities this year with under the leadership of Alexandr Revelo (the Secretary general) and his executive, with generous faculty support provided by Mr. Thachuk and Mrs. Duschinsky. Members attended two conferences this year; the first taking place at Trent University in October, which won Ashbury two honorable mentions for Elli McKean representing Ireland and Amanda Le representing Tunisia. The second conference took place in April, with a delegation going to Marianapolis College in Montreal. For many participants these were their first experiences participating in a Model UN and it was strongly held that all the delegates benefited from the skills and knowledge learned at the conferences.

The club also hosted two guest speakers: one from the United Nations Association of Canada who helped educate members of the different structures of the United Nations and another from the World Bank who gave insights into the organization's history and purpose. Overall the club had a successful year and will continue to support its goal of educating the school about the important role the United Nations plays in solving problems in the world today.

Outdoor Ed:

The 05-06 Outdoor Ed season offered a variety of activities ranging from canoe and hiking expeditions to learning about various animal tracks and skins. Students that came on the trips were able to build on their leadership skills, and do things like: plan their meals, cook them, sleep in tents, basic orienteering, portaging, etc. It was a lot of fun, come and join us next year!

Community Service

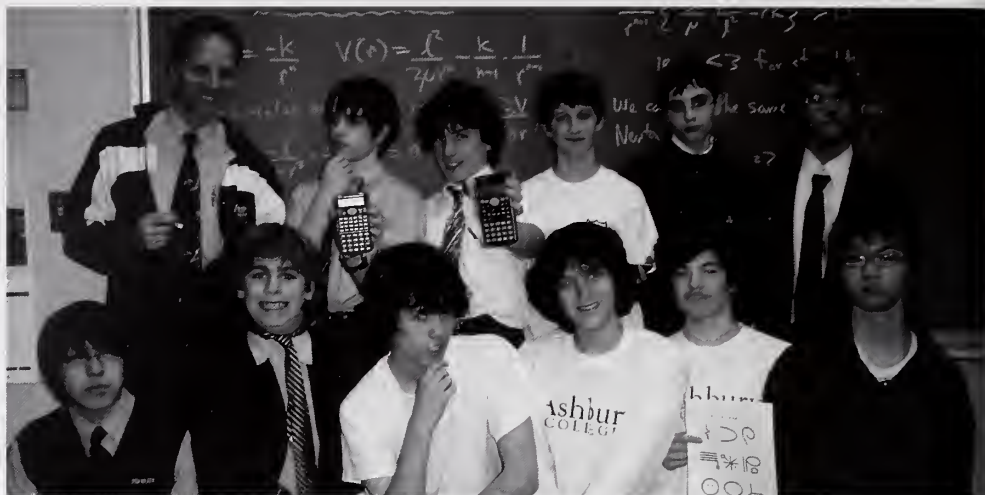

This has been a very busy year in community service. Students in both senior and junior school joined together to work on several events. One of these was Hurricane Katrina. Clothing, art supplies and toiletries were collected and sent to Louisiana via CAYFO (Child and Youth Friendly Ottawa). Also, a group of IB students under the very capable leadership of Andrew Edwardson, Vicky Bevilacqua and Julien Russell Brunet presented an evening -NOIR- showcasing the talents of our IB students. Over \$3,000 was raised to send to the people of Kashmir via Care Canada. In early May, a group of 70 students led by Vicky Bevilacqua and Jenna Hall helped 10 agencies, under the umbrella of the United Way, by giving a Saturday to Youth Day Of Caring. In late May, we hosted a water station for the National Capital Marathon. These events, along with numerous other activities such as Best Buddies, the Canadian Ski Marathon, hospitals, retirement homes, community centres, ventures within Ashbury College plus supporting and raising awareness of the many cancer related projects (Daffodil Day, Run For The Cure, Denim Day) all demonstrate the students of Ashbury College are caring, compassionate, responsible citizens.

Chapel

The Ashbury College Chapel is the spiritual heart and life of our school. It is a sacred place where we gather each week to learn, to share and to connect with each other as a school community. Chapel allows all students to have time for music, prayer, and personal reflection.

This year the Chapel enjoyed another busy program which was filled with many student lead initiatives. Some of the many themes that we explored were: building healthy relationships, respect and bullying, drinking and driving and thinking about our ecological footprint. A new initiative this year was the chapel debates and we hope to see this return in the future. We also celebrated a Lessons and Carols Service which was filled with wonderful music from our school choir. Thank you to all of the students who helped with these initiatives; it would not have been such a positive year without your energy and enthusiasm.

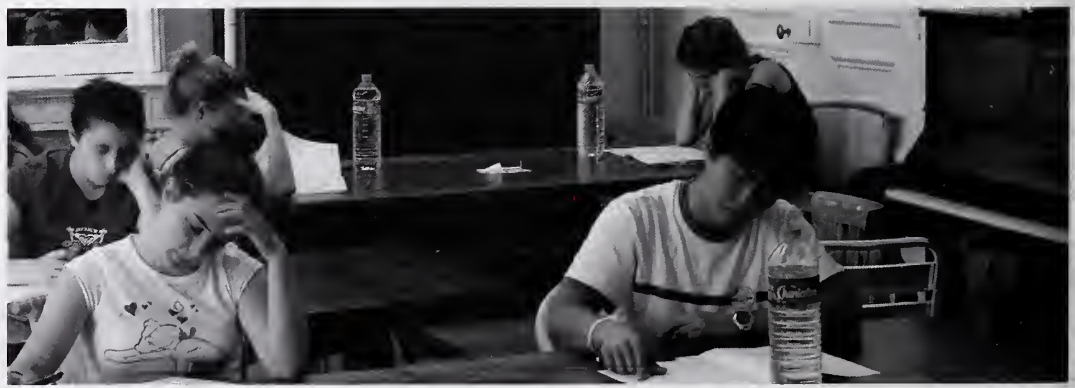

Our chapel is and will continue to be a very important part of our school tradition at Ashbury. Thank you to the Student Chapel Committee for their insights, to Mr. Games our organist and to the many students who bring liveliness and spirit to our chapel each week.

Yearbook

One of the focuses for this year at Ashbury has been the reinforcement of our motto. This motto is found on the crest of the school. Probitas, Virtus, Comitas means Honesty, Courage, Kindness. It was with great excitement that Cecilia Chau created the stained glass crest with the colours of the four houses for us for the cover of this year's yearbook. The excellence of this piece only adds to the strength of meaning of the three words. The importance of the chapel in the life of the school and the morals and values that we learn there are present in the artwork. We thank Cecilia for her time and effort to create such a wonderful remembrance for this year's cover.

The year 2006 spared no lack of excitement at Ashbury as students expressed their diversity and passion for the school. Events ranged from the musical to lunch-time activities, from coffee house to the school play and from international day to the talent show. We enjoyed great success within our sports teams and also through academic exploits, making way for a memorable yearbook. To our numerous contributors, we give many thanks to the endless hours put into creating the pages and of course to the brilliant photography of Adam Scotti. Special recognition goes to Philip Burger, Ian Turner, Mata Kranakis, Catharine Eckersley, Young-Jae Kim, Shikha Dilawari, Bank Hoontrakul, Tommy Peacock, Hanna Lee and Caroline Lee. We welcome back the continued effort and dedication of the mentioned students next year where we hope new contributors will help fill the holes of those who have graduated. Thank you for a great year.

In Memory of

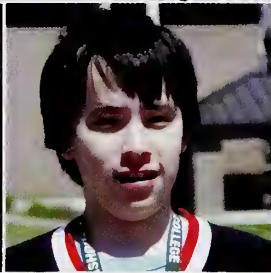

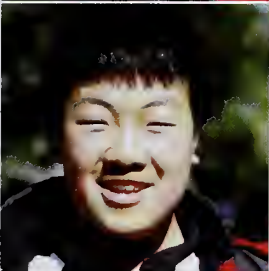

Mrs. Charlene Hergert
1969 - 2006

Charlene was a valued colleague, friend to many, and a dedicated teacher. She always had a smile, was encouraging to her students and was always willing to lend a hand. Her involvement with the Business and Economics program, the Investors Club and the Debating team, as well as being president of the Faculty Association, have left all with special memories. We will miss you Charlene.

Back Row: M. Amine Aidouni, Dylan Cooper, Jeffrey Stout, Prakarn ("Pop") Devahastin, Roman Lupul, Eric Tawagi, Eric Huang **Middle Row:** Adam Loiselle, Alexander Bleeker, Ryan Pike, Zachary Legault, Tonko van Leeuwen, Justin Naccarato, **Seated:** Brendan Manley, Matthew Chung, Malcolm Co, Simon Vandor, Braden McDonald, Jamie Eckersley, Alexander Weinstein, Hanif Charania

Clockwise: Jamie dreaming up some scheme, Braden plotting, Hanif being studious, Tonko caught in a quiet moment, Simon and Alexander composing, Justin interrupted, Adam and Zachary discussing, and the boys all being amused by M. Amine's scandalous emails!

Oh, the charms of Lanark County! Once again, Camp Otterdale was the destination for our intrepid grade 7s. We had lots of good times as we ran around in circles for three days of bonding and outdoor adventures. Highlights included the polar bear dips, the paper bag dramatics and the traditional games - both cooperative and competitive. The boys got to know each other, which is the main idea behind this bucolic sojourn. Thanks to all the staff for their hard work.

Back Row: Colin LaRoche, Ben Abonyi, Aidan Marchildon, Matthew McLean, Sean Leslie **Middle Row:** Mme Louise Perrault, Sebastian Tejera, Carl Heinrich, Eric Higgins, Amir Alsaffar, J. P. Clockwise: James, happy as usual, Alex at repose, Ryan smiling, Nicholas showing house spirit, Steven and Alex competing, Harley and Adam helping out younger Wizards, Stephen, Simon and Stuart key-boarding, Arya contemplating.

H o u s e

The fall wouldn't be the fall at Ashbury without our own brand of the Olympics. Various activities (as shown on these pages) pitted the four houses against each other in friendly, yet fierce, competition. There were no world records smashed, but the intensity was palpable. In the rain, the Goblins were the victors at both levels, but really everyone had a great time. Events included soccer (both indoors and out) ultimate, and badminton. Thanks to Mr. McKinnon and the House Captains.

P r o u d

Back Row: Mrs. Amy Greig, Channon Roy, Dumaresq de Pencier, Branden Oliver. **Middle Row:** Ryan Aimers, Justin M. Lee, Paul Baier, Kyle Dow, Andrew McIntyre. **Seated:** Freddy Nguyen, Justin Lee, Andy Zhu, Alvin Chu, Geoffrey Timmons, and Gregory Chung.

Clockwise: This is a very musical group, as these pictures show. Ryan stringing, Paul horning, Dumaresq caught unawares, Channon winding, Kyle drumming, Gregory being brassy, Andrew and his sax and Geoffrey mastering a french horn.

Back Row: Tony Haddad, Adam Kajjouni, Peter Kim, Mr. Alex Menzies **Middle Row:** Tim Lo, Jun Ha Moon, Teddy Taggart, Johnny Funston, Mark Charette. **Seated:** Cameron Fraser, Alex MacDonald, Scott Giacomini, Tristan Babinski, Robbie Ashe, and Thorsten Pacher. **Absent:** Harrison Brus

Clockwise: Tony with his mentor, John listening in, Tim on alto sax, Peter puzzling, Harrison and Teddy putting their heads together, Adam computing like mad, Alex staying in tune, and Mark as an anchorman. What a great bunch of guys!

House of Horrors

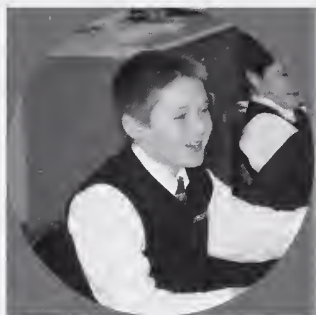

Cross dressing, political incorrectness, freaks, geeks and all things in between: that's what Hallowe'en means to the boys (and girls?) of the Junior School. As a glance at these pages shows, we are not shy to express our creativity when we get the chance. The trick or treaters were out in force as all had a great day, and we raised lots of money for the United Way. Once again, it was the Podsters who were the most colourful and outrageous.

Back Row: Mr. David Polk, Christian Gilberg, Omar Karim, Cedric de Melo, Chase McRobie **Middle Row:** Darius Lee, Liam McLoughlin, Patrick Wright, Matthew Belley, Cameron Davis **Seated:** Justin Arya, Hayes Lao, Matthew Cullen, Brandon Tannis, Tan Ho, Benjamin Gallant

7P

Clockwise:(above): Cedric showing off his musical ability, Matthew finding something amusing, Liam looking startled, Omar looking sad, and Chase being reflective. Ben being artistic, Cameron and Justin laughing, Patrick and Matthew trumpeting.

Back Row: Ethan Sanders, Cameron Morrison, Patrick Rhodes, Surain Roberts, Simon Tomlinson **Middle Row:** Stanley Leong, Adil Abdulla, Kelly Denison, Troy Elizondo, Cody Elizondo, Arthur Leung, Taylor Stinson, Mme Lise Morel **Seated:** Argos Lee, Leo Kadota, Erik Fitzgerald, Ben Ashley, Phillip Wong, Dhruv Mayank, Dylan Si, Chris Hales

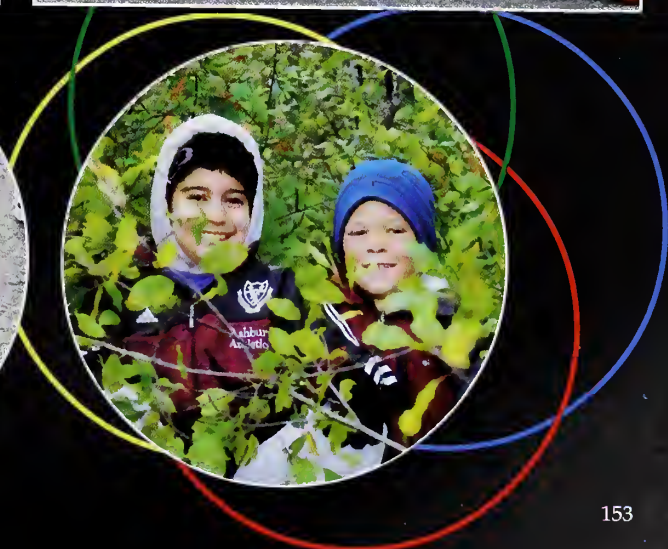

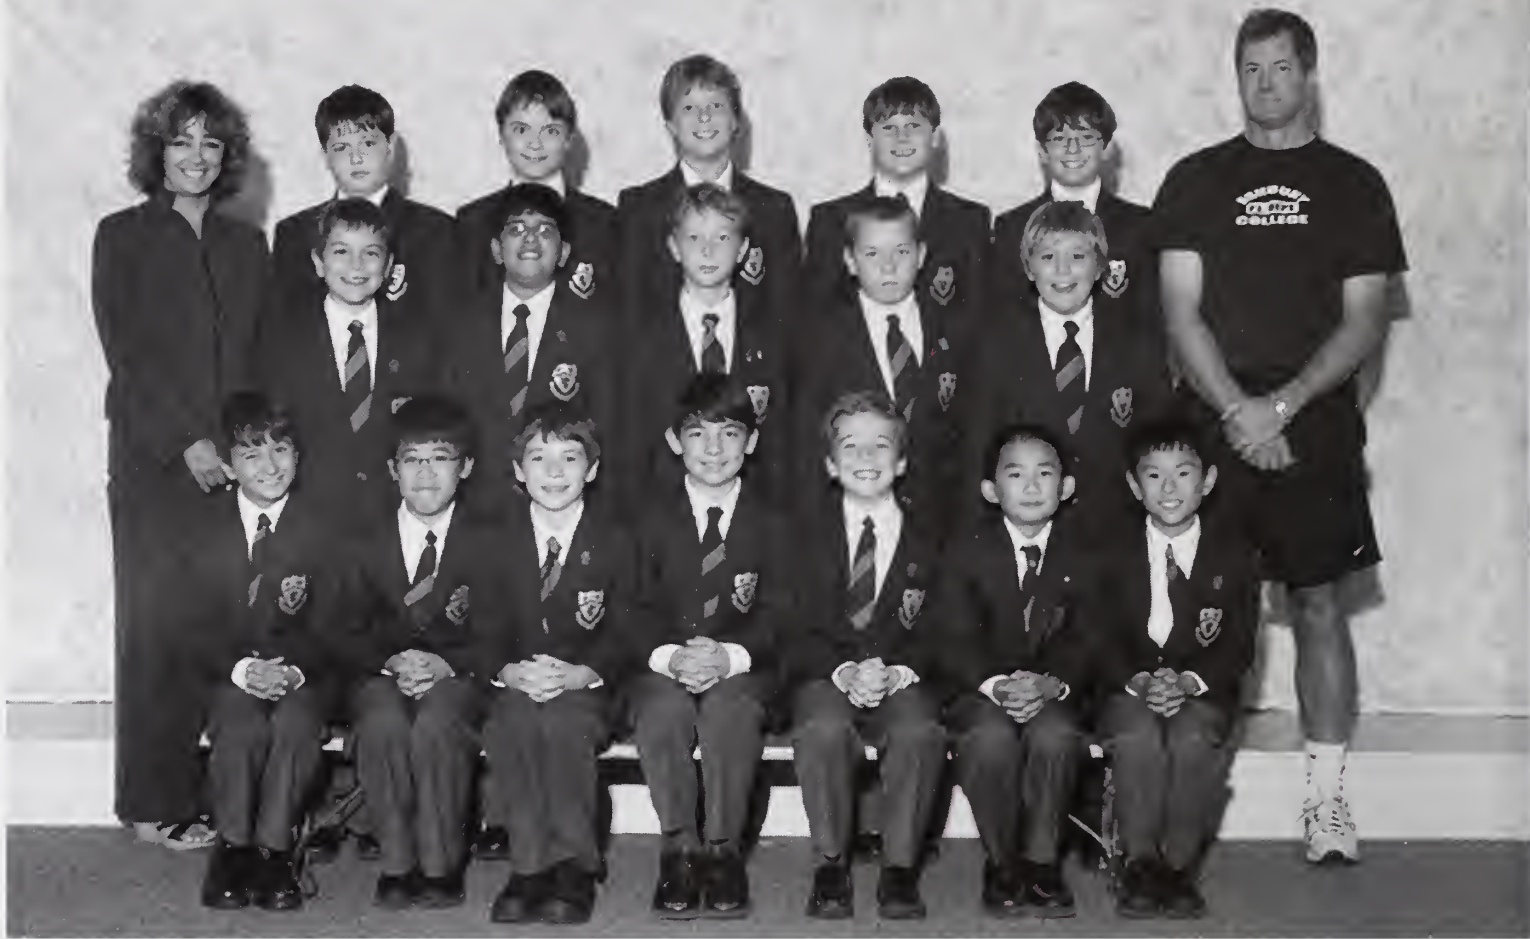

Clockwise: Argos, Ben, Cameron and Stanley demonstrating their prowess with chopsticks, Kelly short circuiting, some sixes getting ready to run the circuit, Taylor and Cameron printing circuits, Leo, Troy and Surain enjoying cross curricular cuisine.

Run of the House

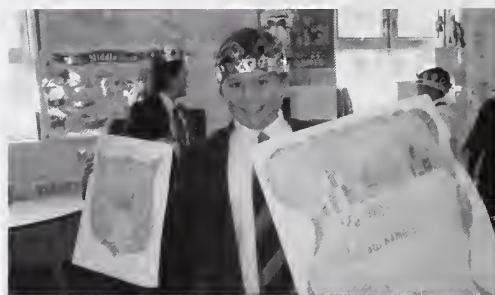

One of the traditions at the College is running to raise money for the United Way (\$3288 this year). Lately, we have added the annual Pumpkin Run to our calendar. Either way, it's just another opportunity for our boys to get out in the fresh air, fill their lungs, and raise their heart beats. The pain of running is well worth it when you consider how fit our athletes are and how successful we are in so many different leagues.

Back Row: Ms Leslie Lahey, Charles -Albert Asselin, Christian Rusu, Nicholas Newport, Jamie Vickers, Daniel Weinstein, Mr. Guy Valentine, **Middle Row:** Kefir Sanders, Avik Jain, James Garel-Jones, Mitchell MacDonald, Nicholas Lupul **Seated:** Konner Fung Kee Fong, Alexander Chao, Eric Parizeau, Vaughan Rawes, Thomas Gow, Alexander Wong, Justin Yan

Clockwise: Jamie demonstrates his extraordinary artwork; Sir Eric, the brave; Kefir enjoying a break after a long hike; Alex, as always, buried in a book; Thomas holds his magic pumpkin; lobbying at the Commonwealth Rally; Nick had a great project; Charles and Justin, hard at work.

Back Row: Mrs. Leslie Booth, Jonathan Kamel, Mattias Lightstone, Phillip Sandler, Jared Wright, Bradley Assaly-Nesrallah
Middle Row: Hani Warith, Mathieu-Olivier Cote, Tommy Denison, Andrew Abou-Assaly, Brendan Lucas, Adam LaMorre, Michael Henley
Seated: Finn Lao, Trajan Lee, Nicholas Texeira, Charles Nadeau, Trevor Haebe, Jordon Lee

Clockwise: Welcome to 4B, Rocky; Finn disguised as a dragon; Hani giving us his best Count Dracula imitation; Charles loves rugby, Mathieu-Olivier's show and tail; Michael and Nicholas excavating the insides of their pumpkins; Trevor explaining his diorama; Jared, Adam and Jonathan making scary pumpkin faces.

Hoop Dreams

Ashtbury basketball is dedicated this year to Mr. Street who has, over the years, worked tirelessly for its success. Below we see the U-14, the OISAA champions. They also participated in the OCSAA finishing with a 3 - 3 record. **Back Row:** M. Amine, Sebastian Tejera, Ryan Pike, Roman Lupul, Matthew McLean, Harley Smallwood, Eric Tawagi, Colin Laroche, Zachary Legault, Mr. MacKinnon. **Front Row:** Amir Alsaffar, Alex Achtemichuk, David Gaty, Arya Mobasher, Alex Weinstein, Adam Poleski, Adam Loiselle.

The U-13 competed in the OISAA and the U-13 tournament in Toronto, finishing 4th. **Back Row:** M. Amine, Ryan Hansen-Reeder, Tony Haddad, Omar Karim, Thorsten Pacher, Branden Oliver, Andrew McIntyre, and Mr. MacKinnon. **Front Row:** Scott Giacomini, Jun Ha Moon, Ryan Aimers, Tristan Babinski, Mark Charette, Robbie Ashe, Tim Lo, Alex MacDonald. Absent: Darius Lee.

The U-12 (Grade 6) **Back Row:** Ethan Saunders, Cody Elizondo, Cameron Morrison, Surain Roberts, Patrick Rhodes, Simon Tomlinson, Troy Elizondo, Adil Abdulla. **Front Row:** Arthur Leung, Ben Ashley, Chris Hales, Philip Wong, Dhruv Mayank, Kelly Dennison and Stanley Leong. U-12 competed in the OISAA and visited LCC and UCC.

The U-12 (Grade 5): **Back Row:** Nicholas Lupul, James Garel-Jones, Nicholas Newport, Jamie Vickers, Vaughn Rawes. **Front Row:** Kefir Saunders, Alexander Chao, Alexander Wong, and Thomas Gow. This team played locally and learned (hopefully) skills that will allow them to carry on the emerging great tradition of Junior School basketball that M. Amine, Mr. MacKinnon and Mr. Street have worked so hard at advancing.

House of Champions

Soccer has always ruled the roost at Ashbury, and with the successes our boys have had, who can be surprised? This year was especially rewarding as the U-13 won (for the 3rd time!) the National Independent School Soccer Championship. This page shows some of the memorable moments from the fields at St. John's Kilmarnock. The U-14 won (again) the local Independent championship. Our three pod teams competed against local schools as well as our Montreal rivals.

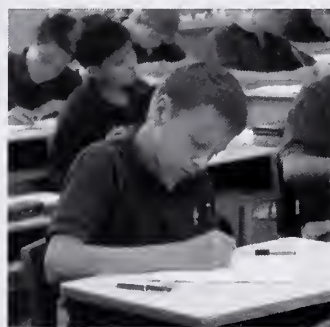

Grade A Eights

The crowning jewel of the Junior School is our collection of grade 8s. These are the boys who show off what years of careful Ashbury training can produce...well. Seriously, we are proud of our 8s and this year's version is no exception. Whether they be off to Quebec City, or just hanging around, the 8s have a full and challenging time in their last year under the careful guidance of the staff. As they move off to high school, whether here or elsewhere, we hope that they will bring with them happy memories of time well spent.

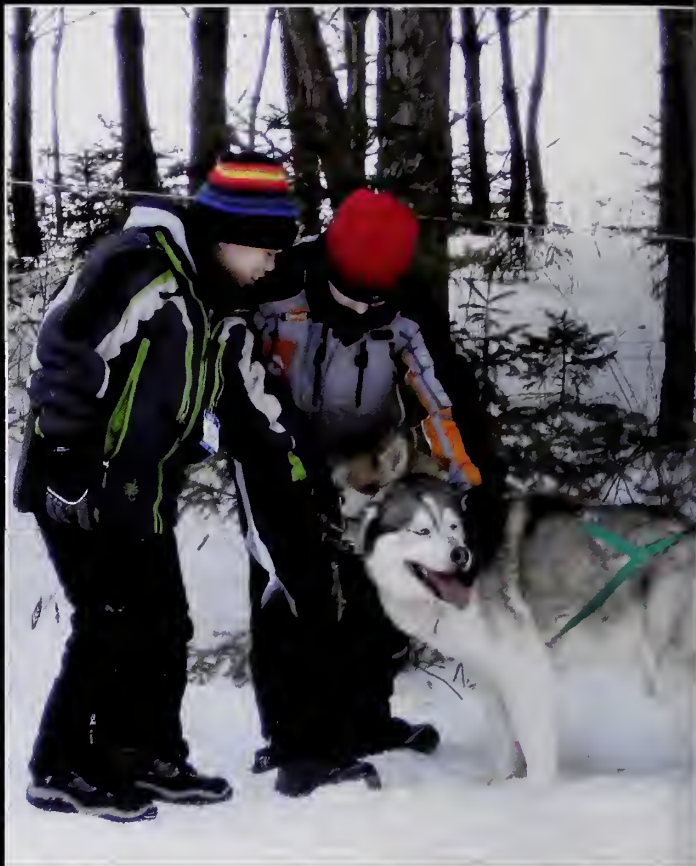

On the top of this page we see Mrs. Booth with the survivors of five years in the Junior School. Did you ever see a happier group? Those cannons now, I hope we are out of range! Tonko and Ryan seem relaxed, Carl and Harry at Fort Henry; Adam and Alex write "finals". On page 162 we see Omar, Chase, Carl, and Alex spotlighted. Clockwise from top left: Jamie, Amir, and Hanif at the GG's gate; Justin writing an exam; Steven and friends conspiring; Simon and David voting; Amir, I think; Braden deerstalking and M. Amine and his crew.

The students of grades 4, 5 and 6 spent fall, winter and spring days in the great outdoors at ISES. Who can resist spending a day outside, hiking, building snow shelters, enjoying a thrilling dogsled ride and snowshoeing through a silent snow covered wood? Certainly not our students, who claim that the Cushing Retreat is the greatest place on earth. LEED enables our boys to appreciate the ultimate Canadian experience by developing their responsibilities as guardians of the land.

Leed The Way

Power Plays

This year the peewee hockey team traveled to Lower Canada College to participate in the 31st Annual LCC Invitational Tournament. In the freezing outdoor rink the boys braved the wind and sub zero temperatures losing a close battle in the consolation finals. Highlights of the trip included a visit by Ashbury Alumni Michel Pratte, eating at the Bar-B-Barn, visiting the Cathedral and driving a lap at Circuit Gilles Villeneuve.

He shoots; he scores!

Thrills & Spills

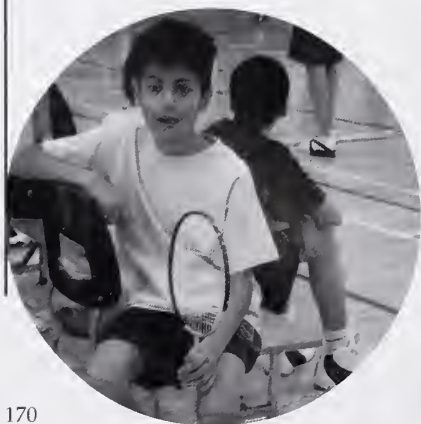

In Southern California, it's the surf, but in Ottawa, it's the slopes! The highlight of winter fun is Winter Activity Day, and this year we tubed and skied with abandon. But, for Canadians, hills are not really necessary, as some of these pictures show: all that "white stuff" lends itself to fun and games. We may complain about the cold and short winter days, but the Ashbury boys can make the best of them!

Winter Olympics

You didn't have to travel to Turin to get into the Olympic spirit; the Junior School had more than its fair share of thrills and spills. From basketball to badminton, or floor hockey to table tennis, our boys soared higher, faster, and stronger to battle for the glory that only the Olympics can bestow. Every boy in the Junior School was a proud Olympian, but proudest of all were the Hobbits who emerged victorious at the end of the day. Mr. MacKinnon, with lots of help from the staff, ensured that all ran smoothly once again this year.

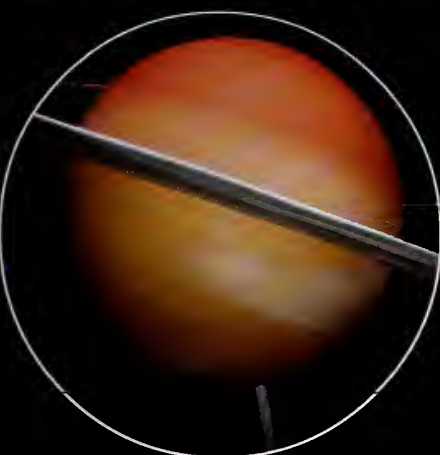

Toronto

For grade 5 students traveling to Toronto is the highlight of a busy year. This year Mr. King accompanied Ms Lahey and the class and witnessed firsthand the parliamentary debate, the ROM, the hockey, the OSC and the medieval feast. He was impressed. Meanwhile all of grade 6 traveled to Montreal and under the guidance of Mr. Valentine and Mr. Uko they attended space camp, toured the Bio-Dome and sampled copious quantities of Krispy Kreme donuts. How sweet it was.

Montreal

It is
Water
Dripping
Flowing across
Our blue and green
World. It surrounds us and
Supports us as a people and we
Depend on it. Without it, we will
All die, for we are mostly water.
H2O, substance of life and death
Spraying, rippling, floating
Beautiful, but deadly
Water.

Dumaresq de Pencier 7G

Imagine a world where peace comes with clouds and rain
And water only accepts peace
Imagine a world where life goes on and on forever
And you are never left alone
Imagine a world where no one is afraid to make a stand
And the voice of the people rules everything
Imagine a world where the right path is the obvious one
And the sun shows us the way
Imagine a world where food and water are plentiful
And no one is hungry or thirsty
Imagine a world where all diseases can be cured
And only one person dies a day
Imagine a world where bullies pay the price
Imagine our world - for all these things define it
And more.

It feels like the cold touch of the first snowflake

I am peace
You know me for the kind thoughts I send.
My mother is Love.
My father is Freedom.
I live in everybody's heart.
My best friend is Happiness,
Because we travel the world together.
My enemy is Hate,
Because it burns me away.
I fear War,
Because it makes me turn from the world.
I love Unity because it makes
Everybody one person.

What will you find
where the world meets the sky?
A kingdom?
A sanctum?
A pig that can fly?
A miniature being
or a priest that likes skiing?

What will you see
on the earth's horizon?
A stone wall?
A girl's doll?
Or a running herd of bison?
A glowing sun?
A cloud pillow
Or a large tree of willow?

Bad Rules
Do not scream, play and have fun
Try to sit around and stare at the sun
Do not do your homework on prep nights
Try to join a hockey team and get into big fights.
Do not eat bone healthy foods
Try to talk to mean stranger dudes.
Do not eat the four food groups
Try to eat fresh chocolate soups
Do not do physical exercise
Try to sit on your couch and be like fairly fat guys
Do not listen when participating in class
Try to eat a very expensive wine glass.

Encore cette année, le département de français a pu offrir deux voyages dans le cadre de son programme d'échanges culturels. À l'automne, des élèves de huitième année sont partis visiter la capitale québécoise et sa région. À l'hiver les élèves de septième année ont bravé la pluie et la neige et s'en sont donnés à coeur joie sur les pentes du Mont Garceau et dans le pittoresque village de St. Donat. Cette année encore les élèves du collège Ashbury ont grandement apprécié leurs expériences respectives.

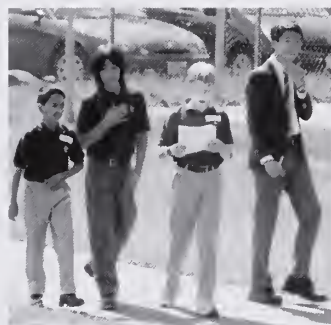

Men of the House

Men about the house, or rather, men-in-waiting about the house might well be a theme of the Ashburian this year. We turn boys into men, but boys will be boys and friendship, play and good times are still the order of the day, as these photos clearly show. House spirit begins on the first day of school, with a welcoming picnic, and the activities throughout the year help foster life long friendships.

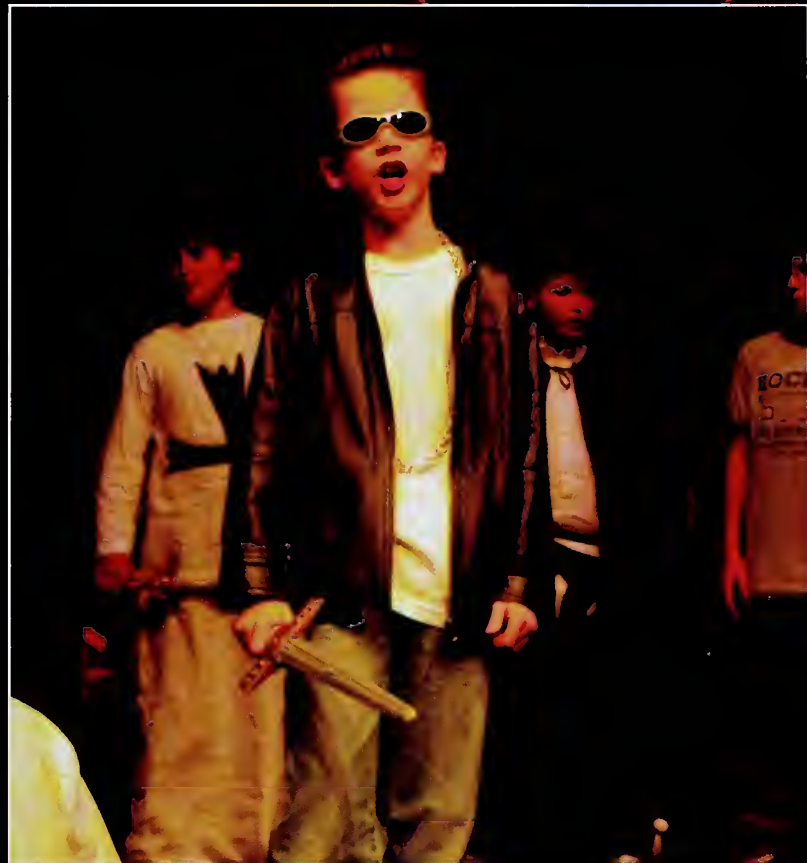

As moths are drawn to a light, our boys are drawn to the limelight! We were treated this spring to two theatrical productions that delighted the audience: Grade 5's *A Knight to Remember* and *Artifacts!* Staged in the Theatre, our productions were the result of long hours of rehearsal and planning. Mr. Merritt led in directing *Knight*, while Mr. Menzies and Mrs. Arbuckle were responsible for Mr. Polk's *Artifacts!*

Orations

From the days of the Greek Chorus (opposite), to our modern world, the ability to speak publicly with wit and grace has always been the hallmark of the well educated. At Ashbury, we engage in a host of speaking activities. The Public Speaking competitors are shown below. Grade 7-8 winners are circled, and the Grade 4-6 winners are shown with Mrs. Jowett. Below are the Junior Debating Club (bottom left), the Poetry Reading winners (bottom middle), the House Debating Champs (bottom right), and a Father of Confederation. We are certainly great talkers!

The Arts at Ashbury are very important, and we are lucky to have such dedicated staff. Music, where Mr. Merritt rules supreme, is one area that affords almost every boy in the Junior School an opportunity to show his talent and enthusiasm. Concerts pepper the calendar, and one of the highlights of the year is the House Music Competition featured on these pages.

Spring Sports

The spring sports' season is short, but packed with activities. Rugby is, of course, the featured sport, but there are many more: wall climbing, swimming, biking, sports adventures, racquet sports, lacrosse and more. In local competition, Ultimate (with Elmwood) and track provide opportunities for our boys to compare themselves to other schools. Our Junior School has a good reputation for sportsmanship and inclusiveness. We are very successful at keeping the boys happy, active, and engaged.

Rugby Rocks

Rugby rules the roost at Ashbury each spring. Our teams had an undefeated season outfitted in new jerseys generously donated by the Siebel family. The crowning achievement was the winning of the Mentor College Invitational Cup in Toronto. Both teams had strong showings throughout the spring in their various exhibition matches. Thanks to Coach Boyd for with her guidance our boys develop excellent skills and a passion for the game.

Our Community

At Ashbury we like to celebrate our diverse community and we like to do what we can to make our world a better place. This year we were involved in many activities to help others. We ran for the United Way, collected shoes, towels, skates, cleats, snowsuits and art supplies. For Operation Christmas Child we filled countless shoe boxes with gifts and toiletries. We decorated grocery bags and cleaned up our neighbourhood for Earth Day. We baked cookies and we sold daffodils all in the aid of good causes. Ashbury College is a caring community.

Track & Field

One of the most popular days of the year is the Annual Track & Field Day. Perhaps it is because of all the excitement, or just because it is the next to last day: who knows? The Goblins dominated, smiting all competition on their march to House Glory! Individually, Eric Parizeau and Chris Hales were the Atom and Midget champs, while Tony Haddad ran off with the Lincoln Newman Trophy, and Steven Koutsomitopoulos and Justin Ng carried off the Alwin Cup as Senior Champions.

WILMA

October 24, 2005

Hurricanes ravage the Gulf Coast region in the fall of 2005, posing an unprecedented test of the United States federal emergency response efforts. Hundreds of lives are lost and thousands are left homeless in the wake of Category 4 hurricane Katrina, followed by Rita and Wilma. The tragedy spurs contributions of money, talents, homes, food and more in an attempt to raise spirits and rebuild the area.

August

- 25 Hurricane Katrina strikes Florida.
- 28 Mandatory evacuation of both New Orleans and Mississippi is ordered as Katrina becomes a Category 5 storm in the Gulf of Mexico.
- 29 Downgraded to a Category 4 storm, Katrina hits land. 1.3 million homes and businesses lose electricity in Louisiana, Mississippi and Alabama. 30 levees are breached, flooding New Orleans and leaving 100,000 people stranded. After slow government response, civil unrest and looting begins.
- 31 President Bush surveys the damage.

September

- 1 30,000 U.S. National Guard troops are deployed. Gas prices spike to as high as \$5 per gallon in the U.S., and \$1.34 per litre in Canada.
- 2 President Bush visits Louisiana and signs a \$10.5 billion relief bill. Nearly 154,000 evacuees arrive in Texas.
- 4 The New Orleans Superdome is evacuated.
- 6 President Bush and Congress pledge to investigate the flawed disaster response.
- 9 Government-issued debit cards are distributed to evacuees. The program fails and is ended days later.
- 12 Mike Brown, head of the Federal Emergency Management Agency, resigns. Flooding is down to 50 percent in New Orleans.
- 14 New Orleans Mayor Ray Nagin announces a phased repopulation plan.
- 15 New Orleans begins to reopen. Katrina is named the most destructive hurricane in U.S. history.
- 20 Louisiana Governor Kathleen Blanco declares a state of emergency as Hurricane Rita strengthens off the coast.
- 22 Rita hits the Louisiana coast and heads for Texas.
- 23 Thousands evacuate eastern Texas and the 9th Ward of New Orleans floods once again after levees are overrun.

October

- 24 Hurricane Wilma hits southwest Florida.
